Stars At War:

Stars at War Marvin D. Pipher, 2022-11-30 This book outlines the lives and achievements of one hundred entertainers and athletes mostly Americans who served their nations well both in times of war and in times of peace It spans the period from the Spanish American War 1898 up to 2020 but concentrates most heavily on World War II The book was initiated in response to an apparent difference noted between the reactions of entertainers and athletes to the events of September 11 2001 and those following the attack on Pearl Harbor on December 7 1941 It began as an effort to understand who those earlier people were what they did and why to identify the one hundred who did the most during World War II and to rank them in accordance with their achievements This proved to be an impossible task since there was no way to identify the one hundred and there was no common basis for comparison some were truly heroic some were wounded and some killed while others simply served to the best of their abilities The best that could be done was to categorize the men and women selected and subjectively rank them with their peers Over time this effort expanded to be more inclusive touching lightly upon the Spanish American War World War I the Korean War Vietnam the war on terror and upon more recent events Some of those presented herein served before becoming famous some after some volunteered and some were drafted while others served as civilians in their chosen fields Two became presidents of the United States Three won the Congressional Medal of Honor Aside from their service however these were truly remarkable men and women whose stories deserve to be told if for no other reason than to give us a glimpse into the kinds of people who made the United States the greatest nation in the history of the world *Gaanchuanga Rih: The War of Stars* Pantiliu Ruangmeiluh, 2025-08-21 What if your soul was chosen to carry wings no one could see For over four decades Pantiliu Ruangmeiluh has flown in dreams across rivers cities jungles and distant worlds She never understood why But one night the dreams changed She was lifted into realms beyond the stars into a cosmic war between light and darkness where immortal warriors fought for a secret the Divine had hidden in a fragile human soul Gaanchuanga Rih War of Stars The Witness with Unseen Wings is not ordinary fiction Born from vivid recurring dreams and visions it is a rare work of visionary nonfiction Pantiliu did not imagine these worlds she was shown them Guided by unseen wings she could not control she landed in the golden jungles of Ra Laemtuan Dih home of immortal warriors who serve the Divine But she was hunted by the Rasih corrupted beings driven by pride and rage She carried no sword no power of her own only the wings a Divine key they desperately sought to steal This is not a story of a hero It is the testimony of a witness A soul who was small afraid and unsure yet chosen to fly where only immortals dare Through awe and terror beauty and war Pantiliu was shown that the eternal battle is not only above the stars but within every soul Some dreams are not dreams Some wings are not meant to be seen And even the smallest soul can carry the will of the Divine The Stars at War II David Weber, Steve White, 2005-07 The Arachnids have overrun planet after planet As the aliens create a plan to keep the remaining colonial upstarts in their place residents of the Fringe Worlds have only one answer insurrection The Stars and
