in Virginia the surrender parade at Appomattox Calkins vividly captured the intense feelings and emotions of Union and Confederate soldiers as the former enemies faced each other for the last time The honor and respect shown by the victorious Federal troops toward the defeated Southerners is one of the most moving episodes in American history The Final Bivouac continues the story with marvelous firsthand accounts by homeward bound Confederates the members of the Union encampment at Burkeville men involved in the Danville Expedition and those present for the occupation of Southside Virginia The narrative concludes as the last few regiments in blue cross the James River at Richmond on their way to Washington D C and then finally home Calkins based his work on primary sources photographs and archaeological evidence The Final Bivouac is a timeless account and will be of deep interest to everyone who enjoys reading about the American Civil War *Lee's Last Retreat* William Marvel,2006-02-01 Few events in Civil War history have generated such deliberate mythmaking as the retreat that ended at Appomattox As the popular imagination would have it Robert E Lee's tattered starving but devoted troops found themselves hopelessly surrounded thro [A Surrender at Appomattox Court House, 1865](#) James M. To the Bitter End Robert M. Dunkerly,2015-03-19 Across the Confederacy determination remained high through the winter of 1864 into the new year Yet ominous signs were everywhere The peace conference had failed Large areas were overrun the armies could not stop Union advances the economy was in shambles and industry and infrastructure were crumbling the Confederacy could not make move or maintain anything No one knew what the future held but uncertainty Civilians and soldiers generals and governors resolved to fight to the bitter end Myths and misconceptions abound about those last days of the Confederacy There would be no single surrender or treaty that brought the war to an end Rather the Confederacy collapsed its government on the run its cities occupied its armies surrendering piecemeal Offering a fresh look at the various surrenders that ended the war *To the Bitter End Appomattox Bennett Place and the Surrenders of the Confederacy* by Robert M Dunkerly brings to light little known facts and covers often overlooked events Each surrender starting at Appomattox and continuing through Greensboro Citronelle and the Trans Mississippi unfolded on its own course Many involved confusing and chaotic twists and turns Misunderstandings plagued many of the negotiations Communications were problematic Discipline often broke down Tempers flared It was anything but a nice neat ending to the war How did the war finally end What was the status of former Confederate soldiers Of slaves How would everyone get home Was there even a home to go to As the surrenders unfolded daunting questions remained Appomattox was just the beginning

Appomattox Elizabeth R. Varon,2013-09-06 A revisionist narrative of Appomattox the surrender of the Confederacy to the Union published on the 150th anniversary of the event that ended the Civil War *The Falling Flag: Evacuation of Richmond, Retreat and Surrender at Appomattox* Edward Boykin,2012-11-22 The writer only attempts to give some account of what occurred within his own observation he would have esteemed it a privilege to enter into all the detail that lights up the last desperate struggle made by that glorious remnant of the Army of Northern Virginia with its skeleton battalions from

every Southern State illustrating their own fame and that of their noble leader mile by mile on that weary march from Richmond to Appomattox But he has confined himself to his own experiences and in a great measure to what happened to his own Brigade because it was written out immediately after the war from that standpoint And if there be any merit in it it is simply as a journal what one man saw and the impression produced thereby This even within a limited range if truly put represents at least a phase of the last act in the bloody drama that had been enacting for four years More than this he could not hope to do but leaves to abler hands the greater task that swells the current of events into the full tide of history

The Final Bivouac Chris Calkins,1988 Series centers on the battles leaders cities and significant events associated with the history of the Civil War in Virginia This volume details the Appomattox Campaign and the aftermath of peace

Obstinate Heroism Steven J. Ramold,2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appomattox Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox

A History of Middle New River Settlements and Contiguous Territory David Emmons Johnston,1906 This history covers the middle New River area from 1654 to 1905 with an emphasis on Mercer County West Virginia Mercer County was created in 1837 from Giles and Tazewell counties Virginia and was part of Virginia until 1863
