

A screenshot from the video game Call of Duty: Modern Warfare 3. The scene depicts a city in a state of total destruction. In the foreground, a large, ornate bronze statue of an angel with wings, standing on a pedestal, is partially obscured by debris. The ground is covered in rubble and charred remains. In the background, several skyscrapers are visible, with one prominent building on fire, emitting thick black smoke. The sky is overcast and grey. The overall atmosphere is one of devastation and war.

In Spite of Auschwitz Klaus Pollak, 2006 *Survival Liberation A New Life in America* In this book a story is told of how I have lived the past 76 years of my life I grew up in a rich affluent environment and after concentration camps ended up starting a happy purposeful life in the United States of America It is great to be an American The life is only unusual to the point that I was just a happy kid growing up going to school until the Germans marched into Prague Praha on March 15 1939 This is when everything came to a screeching halt The first thing they did if you can imagine was to change the traffic pattern overnight from driving on the left to driving on the right The streetcars now had the doors on the wrong side and the buses also had to be boarded from the other side They did this overnight Thousands of German soldiers marched up and down the streets and created a lot of chaos noise and drew little attention from the Czech people I had no idea what was going on The next thing that happened was all Jews were advised of a curfew which was after sundown and before sunrise no Jew was allowed on the streets of Praha Fortunately I spoke a fluent German because of my parents who were raised in the old Austrian Empire We were told to wear the yellow Star of David with the words Jude Jew on our outer garments If the soldiers thought you were Jewish and were not wearing the star you were beaten severely or even shot and killed My sister and I had no idea if we were Jewish we had to ask our parents My life then took a twist The next years 1939 to 1945 were spent in horrific ways and times inside the concentration camps You will find out how I was able to be freed again return to my homeland and then immigrated to the United States and lived here since August 5 1946 I have no regrets about my life I only wish that my family could have lived to an older age and not have been slaughtered in the gas chambers Klaus Pollak September 2006
