his spiritual interests but at length an important change came Writing to his brother John he says It is owing in a great measure to somebody s prayers my Mother s most likely that I am come to think as I do for I cannot tell myself how or when I woke out of my lethargy only that it was not long after you went away The change soon manifested itself in a weekly attendance at the Lord s Supper a more strict course of conduct and the commencement of zealous

God Each of these women were addressed as Mother even though three of them never had children by birth The five mothers who were also wives ably supported their husbands as helpmates while pursuing their own spiritual calling None of these women allowed negative social pressures to prevent them from achieving their ministry goals All seven women have name recognition today yet people are surprised to learn that Mother Teresa was actually an Irish nun born in Albania who became a citizen of India Did you know the monk Martin Luther at age 41 took a wife who was a 26 year old former nun who bore him 6 children or the Salvation Army founders William and Catherine Booth s love story rivals that of the Barrett Brownings and that Judge Deborah was the Joan of Arc of her day The writing style in each letter indicates a desire for a personal friendship between the author and their modern day reader as fellow believers When these ladies share the fruitful work of God in their lives they clearly hope to encourage others to believe they too can positively make a real change in their world for the benefit of others and the glory of God Let these heroic Mothers of the Faith inspire and challenge you to fulfill your destiny and unique service to Christ
