**Fred Trueman** Chris Waters,2011-10-01 Fred Trueman was so much more than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn't help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don't know what's going off out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full-blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self-assured man terrified even that his new dog wouldn't like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero *The Wisden Book of Test Cricket, 1877-1977*

**Twenty20 and the Future of Cricket** Chris Rumford,2013-09-13 Cricket is a sport which is currently undergoing a rapid and dramatic transformation Traditionally thought of as an English summer game limited in appeal to Britain and its Commonwealth cricket has in the past a few years achieved a global profile This is largely due to the development of a new TV friendly format of the game Twenty20 cricket Indeed through the economic and media interests promoting the Indian Premier League IPL the world s richest Twenty20 tournament cricket has belatedly gone global The rapid rise of the IPL underlines that the economic and political characters within cricket are no longer the traditional elites in metropolitan centres but the businessmen of India and the media entrepreneurs world wide who seek to shape new audiences for the game and create new marketing opportunities on a global scale The contributions in this book fall into two broad categories There are firstly those which explore the rapid growth of Twenty20 particularly the motors of change and the new directions that cricket is taking as a result of the Twenty20 revolution Secondly there are a number of contributions which chart the impact of Twenty20 on traditional elements of the game This book was originally published as a special issue of Sport in Society *Test Match Special 2* Peter Baxter,1983 **Palmers' Index to the Times Newspaper** ,1930
