John's Testimony of the End Times John Servant of Jesus Christ,2025-12-18 John servant of Jesus Christ by the will of God called to be holy and cleansed by the precious blood of Christ shed on the cross and through which by obedience to faith we receive forgiveness of sins together with all who call on the name of our Lord Jesus Christ to all the saints in Christ Jesus in every nation under heaven for whom we await the redemption of our souls in Christ who is to be revealed from heaven soon and every eye will see him Yes Amen As it has been foretold for centuries the end is near for now in these last days in which we are living the time of the end has arrived and many things that were hidden and sealed are beginning to be revealed by the Most High God who has promised and fulfills his word and will fulfill it until the end when the King of the saints receives the Kingdom and his saints with him Amen Behold he is coming soon and he will come on the clouds and every eye will see him Yes Amen This testimony was written and shared in December 2025

Testimony Is Praise John Kipp,Donna Kipp,2022-01-09 In this book John and Donna Kipp tell their story of how God has worked in and through their lives They share honestly and deeply about childhood influences and challenges early adult decisions that moved them in unforeseen directions and their growth as believers in Christ who are still learning what it means for Jesus to be Lord and Savior They are convinced God the Father has loved them through their ups and downs and that Holy Spirit is at work as they encourage others to share their own stories of choices challenges and God s faithfulness

Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić,2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps

of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ
