years ago There Kate meets Greg Vange the resort s handyman But there s more to Greg than meets the eye billions more in fact as he recently sold his successful software company and is at the resort in search of what s next for his life Kate isn t looking for romance but she can t deny the sparks of attraction that fly every time she and Greg are together She even starts to see potential in the rundown resort Could there be a future there Or will Kate s long sought promotion take her back to the big city Amanda Cabot invites readers to step away from the pressures of the daily grind They might be surprised by what they find at Rainbow s End *Voices in the Midst* Catherine Ann Sabatino,2010-04-13 This is not a book for the faint hearted This topic effects every one of us whether we realize it or not and it is one that the writer crafts with honor It is an explosively heart rendering must read that deals with the residuals of severe child abuse and the squalid monsters who commit such horrendous acts monsters who hide among us all Catherine s brutal honesty is commendably brave She spares nothing in order to get her message across for her readers to get the full feeling of the story With keen empathy and vibrancy Catherine takes you on a journey of finalizing contingent and prevailing wisdom The reader is taken into the lives and the sensations of such victims with specific ardor Her handling of the topic sets the readers feet onto the very misbegotten path that these unfortunate people were unwillingly cast onto And she does it with such openly harsh tact She artfully commends all victims into their rightful place by giving validating insight into the makings of the deep scars and the mechanisms that protrude into their lives Some might view this book as a type of thriller or horror tale by way of its purely raw depiction of a sincere truth The horizon is drawn via a variety of delicately captured candidness You will tingle and sensate from this depiction of human ugliness at it s best The words may rip through you but you will undoubtedly reach a poignant climax by the travels you go on with her main character Catherine has succeeded in outlining the nefarious nature that brings about the subject with colorful detail in this creative non fiction novel You will not be able to put it down **Ballou's Monthly Magazine** ,1881 **Ballou's Dollar Monthly Magazine** ,1876 *The United Presbyterian* ,1900 **Up and In** Deborah Disney,2014-12-01 A laugh out loud debut that will delight fans of Liane Moriarty and Fiona Higgins this is *The Devil Wears Prada* at the school gates Distinctly middle class parents Maria and Joe have committed every bit of available income to giving their daughters Kate and Sarah the best education possible which to them means attending the most exclusive girls school in the state But when Kate befriends the spoilt and moody Mirabella Maria must learn to play nicely with Mirabella s mother Bea the beguiling yet beastly queen of the toffee nosed school mothers at Riverton A series of social blunders and intentional snubs make Maria determined to ensure Kate s rightful position both at school and on the Saturday morning netball team but as Maria works hard to negotiate the social hierarchy her previously contented life with Joe falls far from view With her mastery of dialogue and character Australian author Deborah Disney skillfully balances keen and witty observations about daily life with the more serious issues of schoolyard bullying and social isolation You will laugh you will nod along and you will want to take the increasingly neurotic Maria aside and point out that in all her desperate gaffe filled

attempts to fit in with the well heeled champagne swilling mummies of Riverton she might just be risking all that she holds dear My stand out fiction read for 2015 Rebecca Sparrow author Mamamia columnist and host of So What Are You Reading This story showcases a world where motherhood is a competitive sport highly recommended Chicklit Club High Raters While the book is satirical and clearly a mummy mafia on speed version of events it has so many nuggets of truth that Up and In is destined to become the next must read for any mum navigating schoolyard politics Kidspot Parenting Magazine I am so excited that this is Deborah Disney s debut novel It s accomplished compelling and one of those novels that will tug at the heartstrings one minute and have you giggling the next Warm extremely well written and a complete delight to read If you re looking for a light funny yet insightful novel then congratulations you ve found it Bookaholic Holly **Paidology** ,1901
