**The New York Times More 60-Minute Gourmet** Pierre Franey, 1986-01-12 With 100 completely new 60 minute menus for sumptuous dining master chef Pierre Franey's second book is as delectable simple and fast as the first. It offers a menu for every main course complete with side dish or garnish and also features delectable appetizers and desserts that can be prepared in the same hour

Cooking with the 60-minute Gourmet Pierre Franey, Bryan Miller, 1999 Three hundred newly discovered recipes drawn from Pierre Franey's famed 60 Minute Gourmet columns in The New York Times. The master chef's legions of fans will be delighted to learn of such surprising culinary good fortune. Prepared with Pierre Franey's characteristic flair and ebullience this new collection offers three hundred recipes that appeared in The New York Times but were never before published in a cookbook. These recipes are as delicious as those in his two earlier 60 Minute Gourmet collections and combine everything that was great about Pierre Franey's cooking: fresh flavorful low fat ingredients ease of preparation and the commandment Don't spend all evening in the kitchen. Following a successful career as a restaurant chef Pierre Franey became a food writer for The New York Times in 1975 when he accepted the challenge to write a regular column featuring recipes that would take less than one hour to prepare. Though he was initially concerned that the time limit might detract from the quality of the dishes he quickly recalled the delicious foods prepared in his childhood home in France which often took very little time to cook. Over the two decades that his column appeared he developed thousands of dishes that can indeed be made in only minutes to bring them to a state of absolute perfection. Cooking with the 60 Minute Gourmet is a dazzling collection of great recipes. The book opens with appetizers, salads and soups then moves into meats, poultry, seafood, pasta and finally desserts. Among the many delectable recipes are Green Bean and Red Pepper Salad, Lobster and Wild Rice Salad, Double Veal Chops with Braised Spring Vegetables, Sirloin Steak with Crushed Peppercorns, Roasted Baby Chickens with Spicy Mango Barbecue Sauce, Shrimp with Snow Peas and Tomatoes, Fettuccine with Goat Cheese and Asparagus, Broiled Fennel and Zucchini with Parmesan Cheese, Summer Fruit Salad and Poached Pears in Red Wine and Cassis. A special tribute to Pierre Franey is offered in a fond Foreword by his lifelong friend the master chef Jacques P. Pin. The recipes have been collected and updated by Bryan Miller, a longtime collaborator of Franey's with help from Claudia Franey Jensen, one of Pierre Franey's daughters who has also contributed an Introduction. As a step by step guide and an inspiration for better eating this great cookbook will soon be considered a must in every home cook's library

**The Practical Cookbook** Margaret W. Howard, 1917 *Dinner with Dad* Cameron Stracher, 2007-05-22 Our kitchen is small the appliances dated We don't have a fancy six burner stove or double wall oven like some of our wealthier neighbors But as I remove the second pizza from the oven the kitchen feels perfect neither too big nor too small neither too old nor too new The kind of kitchen where my brother can enter carrying both my son and my daughter in his arms from Dinner with Dad A beautiful intelligent wife two bright children a gorgeous home in a nice Connecticut suburb an ample income as a successful lawyer by all accounts Cameron Stracher is living the American dream Problem is thanks to a crazy busy work schedule he's never home to enjoy it Most nights Cameron grabs dinner on the run eating on the late train home long after his wife and kids have finished their meal So one day Cameron commits himself to a revolutionary experiment For the next year he'll be home by six o'clock at least five days a week to sit down to a real family dinner and he'll even help cook that dinner himself Instead of stuffing a taco into my mouth in the back of the train I will sauté chicken and peppers for my own fajitas Instead of dining alone I will dine with my family Instead of Absent Dad I will be Nourishing Dad But as this daring adventure gets under way it becomes clear that the road to culinary togetherness is no cakewalk Six year old Lulu eats only plain pasta with salt and nine year old Simon clings immovably to hot dogs What's more Cameron begins to feel that his normally sympathetic wife Christine is growing tired of having him underfoot at unexpected hours Only the author's faith in another American dream family closeness at the dinner table keeps him moving and as he shops chops and cooks he ponders the high percentage of Americans who'd rather work than be with their families who'd rather take conference calls than meet the school bus Fired with love and humor wit and heart and peppered with engaging social and cultural history Dinner with Dad is a four star five course celebration of family life Millions of overextended parents will relate to and relish Cameron's journey as he discovers what truly matters most Advance praise for Dinner with Dad Dinner with Dad is for every spouse who's ever crashed on the rocks of the suburban dream and for every parent who's had his heart broken by a child's turned up nose Stracher writes with humor and honesty about the pitfalls and triumphs of trying to have your family and eat with them too Julie Powell author of Julie Julia Busy fathers everywhere will immediately identify with this book and hopefully will heed its message Well done Cameron someone needed to write this book Now dads everywhere need to read it Mike Greenberg author of Why My Wife Thinks I'm an Idiot A warm hearted loving and funny look at the way we live now Can a dad get home for dinner cook it and live to tell the tale Stracher's story
