**La Traviata. Melodramma in tre atti. Riduzione per canto e pianoforte condotta sull'edizione critica della partitura. Ediz. italiana e inglese** Giuseppe Verdi, Francesco Maria Piave, 2001 Now one of Verdi's most beloved works *La traviata* was initially far from a success Verdi declared its 1853 premiere a fiasco and later reworked parts of five pieces in the first two acts retaining the original setting for the rest The first performance of the new version in 1854 was a tremendous success and the opera was quickly taken up by theaters around the world This edition presents the piano and vocal score for *La Traviata* as reduced from the critical edition of the orchestral score by Fabrizio Della Seta the first edition to include original 1853 settings with Verdi's revision

*Verdi's Exceptional Women: Giuseppina Strepponi and Teresa Stolz* Caroline Ellsmore, 2017-12-14 This investigation offers new perspectives on Giuseppe Verdi's attitudes to women and the functions which they fulfilled for him The book explores Verdi's professional and personal relationship with women who were exceptional within the traditional socio sexual structure of patria potest in the context of women's changing status in nineteenth century Italian society It focusses on two women the singers Giuseppina Strepponi who supported and enhanced Verdi's creativity at the beginning of his professional life and Teresa Stolz who sustained his sense of self worth at its end Each was an essential emotional benefactor without whom Verdi's career would not have been the same The subject of the Strepponi Verdi marriage and the impact of Strepponi's past deserve further detailed and nuanced discussion This book demonstrates Verdi's shifting power balance with Strepponi as she sought to retain intellectual self respect while his success

and control increased The negative stereotypes concerning operatic divas do not withstand scrutiny when applied either to Strepponi or to Stolz This book presents a revisionist appraisal of Stolz through close examination of her letters Revealing Stolz's value to Verdi they also provide contemporary operatic criticism and behind the scenes comment some excerpts of which are published here in English for the first time **The New Grove Masters of Italian Opera** Philip
