Using Force To Prevent Ethnic Violence:

Using Force to Prevent Ethnic Violence David Carment, Frank P. Harvey, 2001 More than ever before ethnic struggle finds expression in the growing incidence and scale of displaced persons and refugee flows as well as in exacerbated levels of ethnic minority abuse and involuntary assimilation Demographic and political sources of instability in multi ethnic societies assure the continuing significance of ethnic strife and the potential for intrastate ethnic violence far into the next millennium While not all disagreements between ethnic groups can be expected to escalate into violence more than a few have produced intractable and destructive conflicts and one or more of these conflicts could ultimately reach levels that overwhelm international resources and capabilities Carment and Harvey examine how regional and international security organizations can prevent destructive ethnic conflict and manage cases in which violence already is at hand First they develop a conceptual framework for advancing basic research on the prevention and management of intrastate ethnic violence They evaluate theoretical knowledge about the nature of ethnic conflict using case material and quantitative assessments and they apply these assumptions against recent instances of conflict management through an in depth study of NATO s involvement in Kosovo and Bosnia This book serves as an important research tool for students scholars and policy makers involved with ethnic conflict and international relations

Conflict Prevention from Rhetoric to Reality David Carment, Albrecht Schnabel, 2004-01-01 Offers a critical evaluation of existing and emerging approaches to applied conflict prevention that involve nontraditional actors ranging from the corporate sector and NGOs to regional and multilateral economic and political organizations The volume suggests best practices for individuals within these organizations to use the array of political economic social and developmental instruments available to them

Using Force to Protect Civilians Stian Kjeksrud, 2023 This book offers the first comprehensive analysis of United Nations military protection operations across time and UN missions It draws on a novel dataset that covers 200 operations from ten UN peacekeeping missions in Africa from 1999 to 2017 and evaluates the successes and failures of UN military troops in protecting civilians from violence
