*From Victim to Victory* Gary Schulz,2012-11-29 n this world of sin we all struggle with security fear acceptance and joy We are all subject to potential physical situational or emotional harm from others Its a competitive world Peaceful and loving homes with godly parents who love each other are rare The home has become a place for the greatest harm Everyone has to survive somehow Some have good jobs and money some do not Some get all the breaks in life and some come up short Some succeed and some fail Some are accepted and some are rejected Do you view yourself as a victim Do you see yourself as deserving special treatment because of your victim status On the other hand do you see yourself as victorious What does it mean to be victorious And how does one obtain victory especially when he already sees himself as the victim of those who are stronger Are you your greatest enemy Are you a victim of your own view of yourself Is a victim status a choice Is victory a choice Jesus said the truth would set us free Learn to seek victorious freedom through Jesus Christ

**Victim to Victory** Sherryl Evans,2005-03-01 We ve all been victimized at some time by a friend family member incident or perhaps even by our own actions and many of us have been unable to move beyond that victimization Dreams have been shattered and ambitions have been put aside Victim to Victory uses biblical standards to provide specific and attainable steps to allow Christians to emerge from the victimization state Man s opinion is that it is good to be a survivor but God expects and provides much more God desires that every one of His children become more than victims more than survivors and even more than conquerors Victim to Victory can be used in a small group setting or it can be studied individually

*The Back Story* Sharon Laubenstein,2023-01-25 So many suffer abuse at the hands of a loved one The abuse can be physical sexual emotional or a combination of all three When abuse occurs to a child the results can be devastating to those who survive For me I began experiencing anxiety depression fear and shame at a young age With no one to help me those emotions intensified as I grew older resulting in numerous poor decisions But God never forgot about me or abandoned me even though it felt like it on many occasions Instead He sent the right people to me at the right time to help me work through the negative emotions and see Him in a different light The Back Story was written to encourage and remind you that even though your current circumstances seem impossible to overcome God has not forgotten you He sees everything you are going through and just as he did for me he will send the right people to you at the right time God loves you and He wants what is best for you Don t give up Your victory is coming
