Victorian Family:

The Victorian Family Anthony S. Wohl, 2016-06-17 First published in 1978 this multi disciplinary study embraces a wide selection of topics ranging from family intimacy and authoritarianism to the family as a unit for launching social reforms Subjects treated in the nine essays include the Victorian attitude to childbirth the role of the nanny the power of the upper class paterfamilias the pattern of family work and fertility and incest among the Victorian working classes The book is introduced by a critical survey of the state of family history and the need for new studies From the essays the Victorian family emerges as both a refuge from society and a springboard into it and as an important unit for the study of the repression and exploitation of women and children in Victorian society This book will be of interest to those studying Victorian history and society

Death in the Victorian Family Patricia Jalland, 1996 This enthralling book explores the experience of dying death grieving and mourning in the years between 1830 1920 Victorian letters and diaries reveal a deep preoccupation with death because of a shorter life expectancy a high death rate for infants and children and a dominant Christian culture Drawing upon the private correspondence diaries and death memorial of fifty five middle and upper class families Pat Jalland shows us how dying death and grieving were experience by Victorian families and how the manner and rituals of death and mourning varied with age gender disease religious belief family size and class She examines deathbed scenes good and bad deaths funerals and cremations mourning rituals widowhood and the roles of religion and medicine

Family Ties in Victorian England Claudia Nelson, 2007-02-28 The Victorians were passionate about family While Queen Victoria s supporters argued that her intense commitment to her private life made her the more fit to mother her people her critics charged that it distracted her from her public responsibilities Here Nelson focuses particularly on the conflicting and powerful images of family life that Victorians produced in their fiction and nonfiction that is on how the Victorians themselves conceived of family which continues both to influence and to help explain visions of family today Drawing upon a wide variety of 19th century fiction and nonfiction Nelson examines the English Victorian family both as it was imagined and as it was experienced For many Victorians family was exalted to the status of secular religion endowed with the power of fighting the contamination of unchecked commercialism or sexuality and holding out the promise of reforming humankind Although in practice this ideal might have proven unattainable the many detailed 19th century descriptions of the outlook and behavior appropriate to fathers and mothers sons and daughters and other family members illustrate the extent of the pressure felt by members of this society to try to live up to the expectations of their culture Defining family to include the extended family the foster or adoptive family and the stepfamily Nelson considers different roles within the Victorian household in order to gauge the ambivalence and the social anxieties surrounding them many of which continue to influence our notions of family today

A Victorian Family Louise Creighton, 1998 **The Family** ,1923 **The Victorian Family** Anthony S. Wohl, **The Reader** ,1926 **The Speaker** ,1891 **The Canadian Forum** ,1920 *Frontier Feminist* Marilyn S. Blackwell, Kristen

Tegtmeier Oertel,2010 This comprehensive portrait of nineteenth century reformer Clarina Howard Nichols uncovers the fascinating story of a complex woman and reveals her important role in women s rights antislavery and westward expansion

Memorials of a Yorkshire Parish Joseph Smith Fletcher,1917 **John O'London's Weekly** ,1920 **Letters to Frederick Tennyson** Hugh Joseph Schonfield,1930 **The Family Story in the 1960's** Anne W. Ellis,1970

Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress Randolph Bourne and the Politics of Cultural Radicalism Leslie J. Vaughan,1997 Reassesses the short life and career of American essayist critic and founder of cultural radicalism Bourne 1886 1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military industrial complex Vaughan political science U of Minnesota Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc Portland OR
