Year of Glory Monte Akers,2012-10-11 No commander during the Civil War is more closely identified with the cavalier mystique as Major General J E B Jeb Stuart And none played a more prominent role during the brief period when the hopes of the nascent Confederacy were at their apex when it appeared as though the Army of Northern Virginia could not be restrained from establishing Southern nationhood Jeb Stuart was not only successful in leading Robert E Lee s cavalry in dozens of campaigns and raids but for riding magnificent horses dressing outlandishly and participating in balls and parties that epitomized the moonlight and magnolia image of the Old South Longstreet reported that at the height of the Battle of Second Manasses Stuart rode off singing If you want to have good time jine the cavalry Porter Alexander remembered him singing in the midst of the miraculous victory at Chancellorsville Old Joe Hooker won t you come out of the Wilderness Stuart was blessed with an unusually positive personality always upbeat charming boisterous and humorous remembered as the only man who could make Stonewall Jackson laugh reciting poetry when not engaged in battle and yet never using alcohol or other stimulants Year of Glory focuses on the twelve months in which Stuart s reputation was made following his career on an almost day to day basis from June 1862 when Lee took command of the army to June 1863 when Stuart turned north to regain a glory slightly tarnished at Brandy Station but found Gettysburg instead It is told through the eyes of the men who rode with him as well as Jeb s letters reports and anecdotes handed down over 150 years It was a year like no other filled with exhilaration at the imminent creation of a new country This was a period when it could hardly be imagined that the cause and Stuart himself could dissolve into grief Jeb ultimately separated from the people he cherished most

Year of Desperate Struggle Monte Akers,2015-02-19 This chronicle of the legendary Confederate Army of Northern Virginia brings vivid detail and insight to the campaigns of Maj Gen Jeb Stuart By the summer of 1863 following the Southern victory at Chancellorsville it was clear to everyone on both sides of the Civil War

that the Army of Northern Virginia was the most formidable force Americans had ever put in the field Much of that army's success was attributable to its cavalry arm led by Maj Gen J E B Jeb Stuart But while Stuart could literally run rings around the enemy Union arithmetic and expertise were gradually catching up In Year of Desperate Struggle author Monte Akers tracks Stuart and his cavalry from Gettysburg to the Overland Campaign concluded only when Jeb himself succumbed to a gunshot wound at the gates of Richmond It was a year of grim casualties and ferocious fighting in short a year of desperate struggle with the gloves off on both sides In this sequel to Year of Glory historian Monte Akers provides a minute examination of Stuart's cavalry during the controversial Gettysburg campaign followed by nine months of sparring during which the Union Army of the Potomac declined to undertake further thrusts against Virginia After Stuart's death the Army of Northern Virginia would eventually be cornered but while he was alive it was often the Northerners who most needed to look to their security

Year of Desperate Struggle Monte Akers,2015 By the summer of 1863 following Chancellorsville it was clear to everyone on both sides of the Civil War that the Army of Northern Virginia was the most formidable force Americans had ever put in the field It could only be tied in battle if against great odds but would more usually vanquish its opponents A huge measure of that army's success was attributable to its cavalry arm under Major General J E B Stuart which had literally run rings around its enemies But Northern arithmetic and expertise were gradually catching up In this work the sequel to his acclaimed Year of Glory author Monte Akers tracks Stuart and his cavalry through the following year of the war from Gettysburg to the Overland Campaign concluding only when Jeb himself succumbs to a gunshot while fending off a force three times his size at the very gates of Richmond Gettysburg put paid to the aura of unstoppable victory surrounding the Army of Northern Virginia But when Grant and Sheridan came east they found that Lee Stuart Longstreet and the rest still refused to be defeated It was a year of grim casualties and ferocious fighting in short a year of desperate struggle with the gloves off on both sides This work picks up where Year of Glory left off with a minute examination of Stuart's cavalry during the controversial Gettysburg campaign followed by the nine months of sparring during which the Army of Potomac declined to undertake further major thrusts against Virginia But then the Union's western chieftains arrived and the war became one huge funeral procession as Grant and Sheridan found that their prior victories had by no means prepared them for meeting the Army of Northern Virginia In this work Akers provides a fascinating close in view of the Confederacy's cavalry arm during this crucial period of the war After Stuart's death the Army of Northern Virginia would eventually be cornered but while he was alive it was often the Northerners who most needed to look to their security

Joseph E. Johnston and the Defense of Richmond Steven H. Newton, 1998 Focusing on the period between mid February and late May 1862 Newton examines in detail the high level conferences in Richmond to set strategy and the relationship of the Peninsula campaign to operations in the Shenandoah Valley and the western Confederacy By examining what Joseph E Johnston actually accomplished rather than speculating on what he might have done Newton shows that his overall conduct of the campaign holds up well under scrutiny Jacket
