Way To Glory:

The Heart is a Noisy Room Ronald Boyd-MacMillan,2018-01-11 Your heart my heart everyone s heart is a noisy room full of voices These voices can come deep from childhood or from our culture or from habits embraced in adulthood These voices run our lives They can even ruin them But if we face them they can also save us We all have inner stories we tell ourselves voices that seem inseparable from who we are They can be crushingly negative telling us we ll never amount to anything Or they can be positive and keep us addicted to achievement Either way if we stay oblivious to them these inner voices will run our lives But when we know how to relate to them they can become our friends and our guides In this ruthlessly practical and inspiringly visionary book Ronald Boyd MacMillan teaches us how to identify our inner voices whether negative or positive and gives us five tools to engage with them leading us into lives of deeper freedom fullness and joy **Americanization**
