Colon,Julius B. Matz,L. A. Catoni,Policarpo González Ríos,Rafael Vila Mayo,1919 *Davis' New Commercial Encyclopedia* Ellis A. Davis,1900 *The Last Ride of the Pony Express* Will Grant,2023-06-06 Spellbinding Douglas Preston and completely fascinating Elizabeth Letts cowboy and journalist Will Grant takes us on an epic and authentic horseback journey into the modern West on an adventure of a lifetime The Last Ride of the Pony Express boldly illuminates both our mythic fascination with the Pony Express and how its spirit continues to this day The Pony Express was a fast horse frontier mail service that spanned the American West the high dry and undeniably lonesome part of North America While in operation during the 1860s it carried letter mail on a blistering ten day schedule between Missouri and San Francisco running through a vast and mostly uninhabited wilderness It covered a massive distance akin to running horses between Madrid and Moscow and to this day the Pony Express is irrefutably the greatest display of American horsemanship to ever color the pages of a history book Though the Pony Express has enjoyed a lot of traction over the years among the authors that have attempted to encapsulate it none have ever ridden it themselves While most scholars would look for answers inside a library Will Grant looks for his between the ears of a horse Inspired by the likes of Mark Twain Sir Richard Burton and Horace Greeley all of whom traveled throughout the developing West Will Grant returned to his roots he would ride the trail himself with his two horses Chicken Fry and Badger from one end to the other Will Grant captures the spirit of the west in a way that few writers have Along with rich encounters with the ranchers

farmers historians and businessmen who populate the trail his exploits on horseback offer an intimate portrait of how the West has evolved from the rough and tumble 19th century to the present and it s written with such intimacy that you ll feel as though you re riding right alongside of him Along the way he fights off wild mustangs wanting to steal his horses in Utah camps with Peruvian shepherders in the mountains and even spends three days riding under the Top Gun aviator school in Nevada which are just a handful of extraordinary tales Will Grant unveils as he makes his way across the treacherous and at times thrilling landscape of the known and unknown American West The Last Ride of the Pony Express is a uniquely tenacious tale of adventure by a native son of the West who defies most modern conveniences to compass some two thousand miles on horseback The result is an unforgettable narrative that will forever change how you see the West the Pony Express and America as a whole **Plant Regulatory Announcements** United States.
