Star Called Henry:

A Star Called Henry Roddy Doyle, 2004-10-05 Roddy Doyle's acclaimed novel about an intrepid Irishman's years of reckless heroism and adventure. An extraordinarily entertaining epic. *The Washington Post* Born at the beginning of the twentieth century, Henry Smart lives through the evolution of modern Ireland and in this extraordinary novel he brilliantly tells his story. From his own birth and childhood on the streets of Dublin to his role as soldier and lover in the Irish Rebellion, Henry recounts his early years of reckless heroism and adventure. At once an epic, a love story, and a portrait of Irish history, *A Star Called Henry* is a grand picaresque novel brimming with both poignant moments and comic ones and told in a voice that is both quintessentially Irish and inimitably Roddy Doyle's. *A Star Called Henry* Roddy Doyle, 2009 "Blighted Beginnings" Jonathan Bolton, 2010 This book also looks at how authors have persistently used the bildungsroman to complicate and challenge the idealization of the family, exposing the divorce ban as symptomatic of an unrealistic notion of domestic inviolability. This study concludes with a discussion of the future of the bildungsroman in a country that has transcended many of its formative crises. This chapter considers Doyle's *A Star Called Henry* as a text that inaugurates a new phase in Irish coming-of-age narratives in which many of the problems of Irish life formerly treated so earnestly and tragically can be a source of play and humor. By looking at a comprehensive range of novels by writers like Sean O'Faolain, Elizabeth Bowen, Edna O'Brien, and William Trevor, as well as lesser-known figures like Eimar O'Duffy, Francis MacManus, and Mary Morrissy, *Blighted Beginnings* traces the evolving concerns of Irish writers as they pushed for a greater accommodation of individual freedoms and aspirations. **BOOK JACKET** **Irish on the Inside** Tom Hayden, 2001 Hayden proposes that today's Irish Americans need to re-inhabit their history to develop a specific ethnic identity. Haunted historiographies Matthew Schultz, 2016-05-16 The spectres of history haunt Irish fiction. In this compelling study, Matthew Schultz maps these rhetorical hauntings across a wide range of postcolonial Irish novels and defines the spectre as a non-present presence that simultaneously symbolises and analyses an overlapping of Irish myth and Irish history. By exploring this exchange between literary discourse and historical events, *Haunted historiographies* provides literary historians and cultural critics with a theory of the spectre that exposes the various complex ways in which novelists remember, represent, and reinvent historical narrative. It juxtaposes canonical and non-canonical novels that complicate long-held assumptions about four definitive events in modern Irish history: the Great Famine, the Irish Revolution, the Second World War, and the Northern Irish Troubles, to demonstrate how historiographical Irish fiction, from James Joyce and Samuel Beckett to Roddy Doyle and Sebastian Barry, is both a product of Ireland's colonial history and also the rhetorical means by which a post-colonial culture has emerged.

Reading Roddy Doyle Caramine White, 2001-06-01 Roddy Doyle is one of the most popular Irish writers at work today. His book *Paddy Clarke Ha Ha Ha* won the Booker Prize, and *The Commitments*, *The Snapper*, and *The Van* have all been made into feature films. In this first critical look at his oeuvre, Caramine White explores Doyle's innovative use of language, his

employment of humor to further his characters development and manipulate his audience the role however slight that religion and politics play in his writing and Doyle s overall social vision as projected in each book and as part of a complete body of work Prominent aspects of each novel are brought to light for instance the function of music in *The Commitments* the importance of humor to diffuse tension in *The Snapper* the growing realism and deeper character development in *The Van* the use of double writing in *Paddy Clarke* and the symbolic significance of Paula s life as a metaphor for the abuses women suffer in a patriarchal society in *The Woman Who Walked into Doors* White also discusses his recent novel the critically acclaimed *A Star Called Henry* She completes the volume with a transcription of an extensive interview with the author that reveals many facets of Doyle s life reflected in his writing

No Country for Old Men Paddy Lyons,2008 The concepts of Ireland and Irishness are in constant flux in the wake of an ever increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity *Reimagining Ireland* interrogates Ireland s past and present and suggests possibilities for the future by looking at Ireland s literature culture and history and subjecting them to the most up to date critical appraisals associated with sociology literary theory historiography political science and theology
