Early Modern Japanese Literature Haruo Shirane,2002-07-10 This is the first anthology ever devoted to early modern Japanese literature spanning the period from 1600 to 1900 known variously as the Edo or the Tokugawa one of the most creative epochs of Japanese culture This anthology which will be of vital interest to anyone involved in this era includes not only fiction poetry and drama but also essays treatises literary criticism comic poetry adaptations from Chinese folk stories and other non canonical works Many of these texts have never been translated into English before and several classics have been newly translated for this collection Early Modern Japanese Literature introduces English readers to an unprecedented range of prose fiction genres including dangibon satiric sermons kiby shi satiric and didactic picture books sharebon books of wit and fashion yomihon reading books kokkeibon books of humor g kan bound books and ninj bon books of romance and sentiment The anthology also offers a rich array of poetry waka haiku senry ky ka ky shi and eleven plays which range from contemporary domestic drama to historical plays and from early puppet theater to nineteenth century kabuki Since much of early modern Japanese literature is highly allusive and often elliptical this anthology features introductions and commentary that provide the critical context for appreciating this diverse and fascinating body of texts One of the major characteristics of early modern Japanese

literature is that almost all of the popular fiction was amply illustrated by wood block prints creating an extensive text image phenomenon In some genres such as kiby shi and g kan the text in fact appeared inside the woodblock image Woodblock prints of actors were also an important aspect of the culture of kabuki drama A major feature of this anthology is the inclusion of over 200 woodblock prints that accompanied the original texts and drama **Festival**, 1994 India, 2005
