Fallenness, Sustainment, and Judgment Albert R. Portillo,2025-01-21 This book seeks to establish a basis for coherency in Qohelet s theological appeal by analyzing a thematic trajectory underpinned by the rhetoric of Qohelet s emphasis on vanity joy and judgment These emphases follow what have been labeled projectile themes which aim at particular points of Qohelet s message carrying the audience through Qohelet s flow of thought These thoughts are deeply correlated and best recognized as the substance forming Qohelet s framework from which Qohelet s teaching flows In other words Qohelet s thoughts revealed by his thematic emphases and endpoint function as an evangelistic appeal to a theological worldview whereby the minds and hearts of his audience are directed to a present and future reality in the fear God concept This

present and future reality follows the premise that humanity enters a fallen world God sustains humanity amid the fallenness and God preserves the lives of those who fear him on the day of judgment What is ultimately discovered is that coherence in the course followed by the projectile themes of fallenness sustainment and judgment forms a framework guiding a trajectory in Qohelet aiming at an appeal to righteous living and eschatological hope *Active Brave Conversations* Andrew B Campbell,2025-08-25 Drawing on the work and experience of more than a dozen educators and activists this timely book explores a range of ways to engender and nurture belonging Full of practical strategies and activities to add to educators and leaders toolboxes it deals with many aspects of inclusion including dismantling racism and using strength based approaches to practice culturally relevant and responsive education Promoting belonging as positive and joyful real life examples and stories support the idea that educators can learn unlearn and relearn their approach to making classrooms a place of learning for all
