**Re-Uniting the States** Matthew-John Calvin, 2019-09-25 Ever since the election of the morally challenged Bill Clinton in 1992 extreme elements in both political parties have been driving deep wedges into America Re Uniting The States explains the most troubling issues that are dividing Americans and charts a path to moderation compromise and agreement that will restore bipartisan harmony and fulfill the vision of the brave Christians who won independence for America and gave us a world leading structure of democratic government Our revolutionary Founders and our visionary Framers of the Constitution relied upon proven Christian principles and author Matthew John Calvin shows us how we can learn from their original concepts to guide America securely onto the safe middle of the political road that they originally charted for our blessed nation Re Uniting The States also expresses concern about the extent of political and judicial power being exercised by Roman Catholics and Jews All should bear in mind the wise words of Abraham Lincoln We should be too big to take offence and too noble to give it The Founders of this nation and the Framers of the Constitution were firmly committed to advancing Protestant Christian principles but they were equally determined to welcome to America persons of all faiths and beliefs so long as they understand and support the values that are the foundation of America
