Victims No Longer Mike Lew, 1988 *No Longer on Pedestals* Carol A. Kuhnert, 2015-01-08 Carol Kuhnert always trusted priests completely As a child growing up in a strict Catholic family clergy stood on pedestals next to God in her eyes When her brother Norman expressed a desire to become a priest and entered the seminary after eighth grade Carol had no idea that one day her daughter would reveal a shocking secret Norman was a serial pedophile Stunned and angered by what she learned Carol not only reveals how she confronted her brother and the Catholic Church but also reflects on the events that led up to that moment providing a poignant glimpse into her faith her belief that priests were infallible and her trust in the church its leaders and their assurance to her that they were handling everything But as time passed and Carol struggled to understand why molesters were being left in active ministry and victims were being ignored she details how she embarked on a purposeful crusade to prompt the church to take action and bring justice and hope to its sexual abuse victims *No Longer on Pedestals* shares the powerful and inspirational true story of one woman's journey to the truth and her subsequent heartfelt mission to reach out to abuse survivors after she learns her brother is a pedophile priest **Victim No More** Ellen Faulkner, Gayle Michelle MacDonald, 2009 This book challenges the idea that women are simply victims of patriarchal systems The editors argue that Women as victim is not an emancipatory cry that encourages all women to join efforts in combating patriarchy Rather the label victim is at its core highly analogous to right wing conservative agendas that keep women politically passive The authors of this collection celebrate the various forms of resistance that women exemplify at individual and collective levels Book Jacket **Gender and Society** Colin Blakemore, Susan D. Iversen, 2000 This is a lively and wide ranging collection of essays drawn from the Herbert Spencer Lectures at Oxford University Here Peter N Goodfellow Germaine Greer Sarah Blaffer Hrdy Lucia Jacobs Michele Le Doeuff and Susan Cotts Watkins discuss current

thinking on sex gender and gender and society Topics include the socially constructed nature of gender gender and rape birth control in the developing world information processing by men and women sexual selection and the interplay of fertility and literacy
