Warm Spit:

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read *Dark Life* Michael Ray Taylor, 1999 The author tells of adventures that include New Mexico's Lechuguilla Cave and dark life below Washington State that resembles micro fossils found in a Martian meteorite

The Adjustment Scott Phillips, 2011-08-01 The war is over but that doesn't mean things are getting better For PR man Wayne Ogden or any of the returning vets The town of Wichita Kansas built around the industry of Collins Aircraft and its wealthy founder Everett Collins is not how they remember it Against the background violence committed by the returning soldiers trying to make an adjustment back into civilian life Wayne attempts to destroy his former mentor and take down Collins Aircraft the once fabled company that provided planes to Amelia Earhart Charles Lindbergh and Wiley Post All along the way he is haunted by poison pen letters anonymously sent that carry threats alluding to his black market work as a supply sergeant in the Quartermaster Corps As the letters reveal more and more of Wayne's secretive wartime past his plan to destroy Collins and his company takes an increasingly darker turn that leads to blackmail extortion and murder Phillips expertly crafts an instant noir classic that presents the birth of a postwar American criminal

Triumph of the Third Reich A. Edward Cooper, 1999 What would have been the outcome of World War II if Germany had succeeded in developing their Vengeance Weapons earlier in the war and had been able to mass produce them This novel provides the answer in an action packed story One that came uncomfortably close to actually occurring [My Mother She Killed Me, My Father He Ate Me](#) Kate Bernheimer, 2010-09-28 The fairy tale lives again in this book of forty new stories by some of the biggest names in contemporary fiction science fiction fantasy and magical realism Neil Gaiman Orange Aimee Bender The Color Master Joyce Carol Oates Blue bearded Lover Michael Cunningham The Wild Swans These and more than thirty other stories by Francine Prose Kelly Link Jim Shepard Lydia Millet and many other extraordinary writers make up this thrilling celebration of fairy tales the ultimate literary costume party Spinning houses and talking birds Whispered secrets and borrowed hope Here are new stories sewn from old skins gathered by visionary editor Kate Bernheimer and inspired by everything from Hans Christian Andersen's *The Snow Queen* and *The Little Match Girl* to

Charles Perrault's Bluebeard and Cinderella to the Brothers Grimm's Hansel and Gretel and Rumpelstiltskin to fairy tales by Goethe and Calvino and from China Japan Vietnam Russia Norway and Mexico Fairy tales are our oldest literary tradition and yet they chart the imaginative frontiers of the twenty first century as powerfully as they evoke our earliest encounters with literature This exhilarating collection restores their place in the literary canon **The Date to Save** Stephanie Kate Strohm,2017-09-12 After a scheduling mishap occurs one student tracks how her high school's homecoming game the academic battle and class election all ended up on the same day with hilarious results The word is out BROOKS MANDEVILLE quarterback Friday is the homecoming game and dance It is a very big deal NATALIE WAGNER marching band clarinet Our band's halftime show performances are legendary even if our football team isn't CINTHIA ALVAREZ Academic Battle team member Our Academic Battle team has won five years in a row This Friday it'll be six TANNER ERICKSEN sophomore class candidate for vice president Holly has to win the election for class president this Friday HOLLY CARPENTER cheerleader Academic Battle team member class president candidate Friday Everything is on Friday How can I be in three places at once COLIN VON KOHORN editor in chief of the Prepster This kind of scheduling incompetence could only have come straight from the top ANGELICA HUTCHERSON reporter at large I talked to everyone and my article is going to crack this story wide open This is what happens on the wildest day in the history of high school *The 1967 American League Pennant Race* Cameron Bright,2018-05-25 In 1967 in the midst of a nail biting six week pennant race the Red Sox Tigers Twins and White Sox stood deadlocked atop the American League Never before or since have four teams tied for the lead in baseball's final month The stakes were high there were no playoffs the pennant winner went directly to the World Series Here for the first time all four teams are treated as equals The author describes their contrasting skill sets leadership and temperament The stress of such stiff and sustained competition was constant and there were overt psychological and physical intimidations playing a major role throughout the season The standings were volatile and so were emotions The players and managers varied some wilted or broke others responded heroically **First in Line** Kate Andersen Brower,2018-06-05 An intimate compulsively readable account of the dynamics that have shaped and sometimes destroyed relations at the top of the American political hierarchy and a valuable addition to the literature of the modern presidency Wall Street Journal From the author of the New York Times bestsellers First Women and The Residence an intimate news making look at the men who are next in line to the most powerful office in the world the vice presidents of the modern era from Richard Nixon to Joe Biden to Mike Pence Vice presidents occupy a unique and important position living partway in the spotlight and part in the wings Of the forty eight vice presidents who have served the United States fourteen have become president eight of these have risen to the Oval Office because of a president's death or assassination and one became president after his boss's resignation John Nance Garner FDR's first vice president famously said the vice presidency is not worth a bucket of warm piss later cleaned up to warm spit But things have changed dramatically in recent years In
