Planets, Stars, and Orbs Edward Grant,1996-07-13 Edward Grant describes the extraordinary range of themes ideas and arguments that constituted scholastic cosmology for approximately five hundred years from around 1200 to 1700 Primary emphasis is placed on the world as a whole what might lie beyond it and the celestial region which extended from the Moon to the outermost convex surface of the cosmos

Genesis, Science, and the Beginning Benjamin D. Smith,2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate A former Young Earth creationist Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy

Encounter Jesus in Genesis (1) Samuel J. Kim,2023-05-30 In the beginning God created the heavens and the earth Genesis 1 1 God who existed from eternity created the entire universe and everything in it through His Word And God proclaimed this fact in the very first verse of the Bible To receive all the blessings in heaven one must believe in the first verse of the Bible which proclaims In the beginning God created the heavens and the earth But without faith it is impossible to please Him for he who comes to God must believe that He is and that He is a rewarder of those who diligently seek Him Hebrews 11 6 Believing that the Creator God is alive is the first step of faith Abraham is a representative person of faith who appears in Genesis However Jesus said about Abraham Your father Abraham rejoiced to see My day and he saw it and was glad John 8 56 Abraham a man of faith who lived about 2 000 years before Jesus came to this earth met Jesus We also meet Jesus Christ in the Words of Genesis Jesus is the Son of God the only begotten of God the Father Jesus the Word of life which was from the beginning is the true light that came among us in the flesh according to the will of God the Father When the true light came to this earth and shone in the darkness the darkness fled in an instant Jesus who came by water and blood 1 John 5 6 offered one sacrifice for sins forever Hebrews 10 12 with His body and eliminated all the sins of this world Through this collection of sermons I hope readers will meet Jesus Christ who has saved us entirely from all sins and made us children of light And I pray that you will receive all the blessings in Heaven through Him
