Wave Me Goodbye:

Into Dust and Fire Rachel S. Cox,2013-04-02 A moving beautifully written tale Rachel Cox has produced a masterpiece of storytelling infused with romance danger adventure humor and heartbreaking loss It is hands down the best description of the transformation of untested young men into soldiers that I have ever read Lynne Olson New York Times Bestselling Author of Last Hope Island The untold story of five young American friends who left the ivory towers at Harvard and Dartmouth to take on Rommel s Panzers under the blazing sun of North Africa In the spring of 1941 with Europe consumed by war and occupation Britain stood alone against the Nazi menace The United States remained wary of joining the costly and destructive conflict But for five extraordinary young Americans the global threat of fascism was too great to ignore Six months before Pearl Harbor these courageous idealists left their promising futures behind to join the beleaguered British Army Fighting as foreigners they were shipped off to join the Desert Rats the 7th Armoured Division of the British Eighth Army who were battling Field Marshal Rommel s panzer division The Yanks would lead antitank and machine gun platoons into combat at the Second Battle of El Alamein the twelve day epic of tank warfare that would ultimately turn the tide for the Allies A fitting tribute to five men whose commitment to freedom transcended national boundaries Into Dust and Fire is a gripping true tale of idealism courage camaraderie sacrifice and heroism INCLUDES PHOTOS **A Long Way Home**

Charles Granquist,2010-04-01 The son of a World War I veteran Charles Granquist was 17 when war was declared with Germany in 1939 He lied about his age joined the infantry and was sent to Egypt Like so many other young men at the time Granquist did not know what to expect All he really cared about was doing his duty and serving his country He never even contemplated his chances of becoming a prisoner of war he was there to fight and take prisoners Captured by the Germans in Greece Granquist was determined to continue carrying the war to his captors any way I could In his memoir A Long Way Home he describes his shame at becoming a POW and how he believed he had failed himself his mates and as a soldier He orchestrated a remarkable five escape attempts all of which ended unsuccessfully Yet Charles refused to give up determined to fulfil his duty as an Aussie Digger and make his own small contribution to the war effort His story takes the reader on the rollercoaster of escape recapture and 196 days of solitary confinement before his eventual return home with his Russian war bride Granquist s account of his wartime experiences adds another important chapter to the story of World War II POWs while showcasing the spirit humour persistence and ingenuity expected of an Aussie Digger A Long Way Home is tribute to one veteran s spirit and the mateship he still holds so dear today **At Close Quarters** Gerald Seymour,2014-03-27 From

the author of Harry s Game A Sunday Times 100 best crime novels and thrillers since 1945 pick Peter Holt a young diplomat witnesses the horrific murder of his fiance and the British Ambassador within days of a new posting to the Soviet Union The report of the murder lands on the desk of a British Intelligence officer who suspects Palestinian involvement although the Russians insist that it was not a terrorist attack The British government are determined to extract revenge and Holt is the

only man able to identify the assassin He is sent to the Lebanon and the perilous Beqa a Valley which serves as a stronghold for the most extreme guerilla groups Unauthorized access to the valley is virtually impossible and capture by the Syrian Army would result in torture and death His only company is Noah Crane an Israeli expert sniper who acts as his mentor and guide But when Syrian Intelligence learn of their presence their cover is blown And now it is too late to turn back [Wave Me Goodbye](#) Nancy Hower, Claire Forlani, 199?
