To which is Prefixed, a Short Memoir of the Author's Life** Richard SIBBES,1812 **God's Marriage and Man's Divorce** David Boudreaux,2023-05-08 There are many books already out there that address the topic of marriage and divorce but this one is different in that it is basically a Bible commentary that expounds extensively and soley on the scriptures that deal with this topic You have heard many people say that wives or husbands or children do not come with instruction manuals well now they can This book takes a serious look at marriage having and raising children divorce abortion alcohol consumption drugs church attendance and salvation and so many other topics that are critical to the kind of marriage that God wants His people to have Far More than We Think Michael Angelo Le Houx,2013-11 Far More than We Think is an exploration of how spirituality in its broadest sense can be the logical solution to the many challenges of everyday modern living These are wise words spoken with humility and the conclusions are surprisingly simple yet deeply profound This debut work is a fusion of contemporary and ancient wisdom scientific fact and personal experience The author builds a logical case for spirituality that leads to a conclusion that we really are far more than we think If you have ever thought that there must be more to life than your current experience so far then this book could mark an important turning point If it does so for you even to a small extent then the purpose in sharing these thoughts will have been fulfilled *The Boston Medical and Surgical Journal* ,1886 *Official Report of Debates,*
