When God Chose Man; Illustrated by Arthur Kirchhoff Victor Albert CONSTIEN, 1967 The Case for Biblical Antichrist,

Global Government, and the Man Chosen to Save America Luis Munoz, 2024-11-04 The godfather of the global mafia Rockefeller indicated that he and other globalists are relying on the right major crisis and the nations will accept the New World Order Moreover the renowned globalist and Obama s advisor Strobe Talbott said In the next century 21st nations as we know it will be obsolete all states will recognize a single global authority National sovereignty wasn t such a great idea after all And James Paul Warburg said We shall have World Government whether or not we like it The only question is whether World Government will be achieved by consent or conquest Who are America s true enemies How are they operating inside America How are they plotting to destroy America s democracy and sovereignty Robert F Kennedy Jr on April 1 2024 told CNN I can make the argument that President Biden is a much worse threat to democracy than Trump Again Robert on April 2 2024 told Fox News President Biden has done something no other president has done which is to order media particularly social media Facebook Instagram to censor his political opponent President Biden is a much worse threat to democracy and the reason for that is President Biden is the first candidate in history the first president in history that has used the federal agencies to censor political speech to censor his opponent And he added that Biden is a genuine threat to our democracy Keep in mind that Robert K is a liberal Democrat Former president Barack Obama and his wife Michael are using their Netflix Predictive Programming movie Leave the World Behind to reveal how he and the global gang intend to put the US government under a global dictatorship Their ploy includes A simple three stage maneuver that could topple a country s government from within That country s government is no other but the US government which will be the real target for a coup d etat and civil war The first maneuver to destroy America is Isolation By that they mean disabling the sectors of communication and transportation making the target as deaf dumb and paralyzed as possible The second maneuver consists of creating a synchronized chaos to terrorize the American people with covert attacks and misinformation overwhelming their defense capabilities and leaving their weapon system vulnerable to extremists and their own military Without a clear enemy or motive people would start turning on each other If done successfully the third stage would happen on its own The Obama Netflix civil war movie describes the globalists plot to create the right major crisis that they have envisioned to establish a global government The plot seems to include widespread use of state terrorism to attack America from within with tens of thousands of radical Muslim terrorists that are already in America The goal is to topple the US government declare martial law change the Constitution and put the country under a global tyranny I am using this book to show that Obama and Biden have been working in league with the evil global mafia to cement America s transition from democracy to

dictatorship Also this book shows the globalists plot for world government and the man with the call and vision to lead it Barack H Obama the biblical Antichrist and awaited Mahdi of Islam Therefore Americans have a critical choice to make choose Obama s radicalized democrat gang and you will destroy America s democracy and sovereignty Choose Donald Trump and you will empower the man called to defeat the enemies of humanity and tyranny Trump is the man destined to vindicate God s name and restore America to its rightful place before God takes His people in the rapture **God's Will, Man's Will and Free Will** Jonathan Edwards, Charles Haddon Spurgeon, 2007 GOD S WILL MAN S WILL AND FREE WILL Is it possible for a creature to have a free will and to continually exercise that will in complete conformity to the will of God Yes Are the creatures who thus conform their wills continually to the will of God in servitude Are they slaves Yes If God plans fore determines and predestinates each and every deed of a man s life powerfully controlling all circumstances all persons even all forces of whatever variety and magnitude that affects his life can that one be free Yes In this little book the large subject of God s Will Man s Will and Free will is keenly examined by five different authors who make use of the Holy Scriptures to answer the multitude of questions and of objections to what is written HORATIUS BONAR notes three things about men without Christ 1 Their souls are not at rest 2 Their conscience is not at work And 3 They do not tremble at the Word of God The Lord has spoken There is no room to question when His voice is heard JONATHAN EDWARDS notes that God is the Supreme Orderer of all things but that His ordering of all things His orderings of the heart and fixing the steps of a man Proverbs 16 1 9 does not interfere with a man s ability to choose C H SPURGEON notes that men will not come to Christ that they might have LIFE because they are dead in trespasses and sin Can there be a soul that will not become wiser from these discussions Edwards 1703 1758 is by far the best known American theologian After graduating from and teaching at Yale University he began a very fruitful ministry at Northampton MA The church was the scene of the explosive revival of 1734 35 and burned fiercely for God under Edwards for several years Edwards then went to pastor the lowly Indians But at last he was called to be the first president of Princeton University where he served only 5 weeks dying of smallpox C H Spurgeon 1834 1892 was not only the famed preacher for whom The Metropolitan Tabernacle was built but he wrote a host of books published a magazine was a colporteur was an expositor etc Horatius Bonar 1809 1899 was a Presbyterian minister in Scotland and the author of many excellent books of much practical value Jay P Green Sr 1918 is Translator and Editor of The Interlinear Hebrew Greek English Bible and the translator of the Modern King James Version of the Holy Bible The Teenage Version of the Holy Bible and the Literal translation of the Holy Bible He has written numerous books on textual criticism

Alpha and Omega Robert W. Jenson,2002-07-29 The theology of Karl Barth the world renowned German religious philosopher has won the interest of intelligent laymen as well as clergymen seminarians and students This book is an analysis of the way in which Barth describes the existence of Christ as the beginning and end of human history From the dominant clich of modern theology Christianity is an historical religion it untangles three questions which it then directs to Barth s writings 1 To what end does God rule human history 2 In what sense does God have a history and what is the relation between His history and ours 3 What does the Christian assertion that Jesus an historical event is the meaning of life say about the meaning of reality Through investigation of these questions Alpha and Omega presents Barth s theology as an answer to the challenge presented by the loss of man s ancient belief in an eternal and unchanging framework and in a goal of life The Church must speak to man as it finds him Today it cannot assume that man already believes in justice goodness and God Christianity must learn to present Jesus Christ in his unadulterated historical reality as the meaning of man s life Alpha and Omega shows that Barth s development of a proclamation in which Christ s life is seen as the unconditional goal of the history of creation in which to live means to become Christ s brother and share in His story is one of theology s few live possibilities if not the only one

My Invention Testimony Linda C.,2019-12-03 The title My Invention Testimony came from the journal I kept as I worked on my invention called Food Separators As I was being introduced to the world of inventions I persevered through a lot of frustrations and hostile ordeals during my learning experiences I ve heard in several sermons from various pastors including my own that when one commits themselves to carry out an assignment for God one would most likely experience an aloofness of family and friends What a true statement I did lose a closeness with my family biological and Christian alike I became like a plague to them because I no longer did the things I use to do I wanted as well as needed to spend as much time with the Lord as possible My desire to

spend more time with Him brought about undesirable situations with people of whom I used to have a closeness to Not only did I have personal attacks but in terms of business it has been a long and tough journey with my endeavors to get prototypes of my invention as well as making decisions to manufacture license or self distribute The decision that I make would determine my success or failure I had a lot of decisions to make before I could even get my invention on the market I so often found myself praying and asking God for His direction and guidance After about six months into the invention process I heard the Holy Spirit speak to me and say Here is your book Continue to write and place glory on my name I couldn t believe what I heard but after hearing the Lord speak I looked at my journal and realized Wow this is a book I was a little hesitant because I had no inclination of writing a book The thought never crossed my mind Besides I was so caught up in venturing out and searching for information on how to make the right decisions concerning my invention that I didn t have time for anything else As I stated before I had no thoughts of writing a book but I was obedient to God This book is an actual testimony of almost everything that I ve gone through to get this far with my invention I say almost because I m not finished with publicizing my invention and it is not yet fully on the market I ve done two illustrations with self made prototypes and they were a big hit Everyone liked them but I still have a long way to go I thank God for His vision and for allowing me to partner with Him in sharing the experience of this venture The Gallery of the Life of Jesus Christ Richard Newton,2018-09-21
