when God happens When God Happens Gray Temple, 2001 Eyebrows raise The tone is skeptical A liberal Charismatic How can this be Gray Temple who is a liberal Charismatic answers the question simply When I fell into Spirit baptism I was an ultraliberal pacifist theological existentialist I emerged an ultraliberal pacifist theological existentialist who actively loved Jesus But though the answer is simple living prayerfully through its implicit tensions is not Temple explores the role of prayer in many emotional and physical settings from prep school days through ordained ministry from political activism to Fundamentalist church conferences from a flourishing Atlanta parish to a harrowing trip through Asia where the presence and sometimes the absence of God is utterly palpable Gray Temple's writing is full of surprises His eagerness to learn his unflinching honesty and his humor draw the reader toward a deeper awareness of the possibilities alive in personal encounters with the divine the moments When God Happens For a compact disk or cassette of Gray Temple reading his book aloud visit The Episcopal Media Center website Online Bookstore Spirituality *When God Happens to You* Charles T. Chambers, 2021-11-20 To what did your experiences feelings or spiritual leadership introduce you Is your spiritual focus being sifted by your feelings based on your experiences Feelings have a short lifespan the same as a carnal mind Your spiritual focus is not designed to get tired when God is your vision If you are tired God obviously hasn't happened to you yet Therefore when you run out of yourself you run into God Life is a curriculum prescribed by God specifically for your flesh to teach you what your spirit already knows through the process of development Your flesh is not capable of making spiritual decisions therefore you have no choice but to go to God for the best decisions you will ever make in your life There is much more joy and praise in you than tears and sorrow but this happens only when God happens to you Pr 3 5 6 Ps 23 Mt 19 23 26 Phil 4 13 Rom 8 6 8 Rom 10 4 13 Is 26 3 Jn 10 27 30 This book is taken from a series of sermonettes inspired by my many life experiences when I had no other choice but to use my faith in God through Jesus Christ to overcome them I wrote this book to share with everyone how God can happen to all of us *When God Happens: Angels, Miracles, and Heavenly Encounters* Angela Hunt, Bill Myers, 2019-04-16 PRAISE FOR THE WHEN GOD HAPPENS SERIES Reading When God Happens is like receiving an intravenous dose of hope in a world parched by hopelessness It will remind you not just to hope for miracles but to expect them Melanie Henry Guideposts magazine writer and author of fifty four books A powerful read Dimas Salaberrios author of Street God True stories like these require those who don't believe in angels to explain the unexplainable Cal Thomas syndicated columnist A diesel mechanic is smashed under the weight of a logging truck A child's inner tube is sucked out of a peaceful stretch of water into a frothing patch of dangerous rapids A woman searching for peace is met with an icy chill when she begins arranging runestones In all these stories there is one common thread God's angels are waiting and ready to powerfully intervene If you have ever doubted the presence of angels or questioned whether God is still acting through them this book will inspire you to look beyond your everyday perceptions In the follow up to their 2018 title When God Happens True Stories of Modern Day Miracles bestselling authors Angela Hunt and Bill Myers invite you into the

**God Happens** Joseph Moctezuma,2019-10-30 We live by the moment not by the years months or weeks of our lives Due to the hectic everyday crisis of speeding up the process of living in a material and hyper technological society of the era This book addresses the need to find God in the moment of inspiration and awareness no longer we are seeking an eternal understanding of things but a moment or second of enlightenment in our busy lives

**Is It God's Will?** Brandon Ambrosino,2025-09-09 From an acclaimed journalist and a rising star in theological academia a provocative book about human and divine agency in an era of political extremism climate catastrophe and rising violence In the wake of two foiled assassination attempts while Donald Trump was campaigning for President many of his supporters claimed Trump s survival was an act of Divine intervention and a sign that Trump was favored by God In his victory speech Trump alluded to this But his survival prompts other questions Why did God spare Trump but not the retiree sitting behind him Why couldn t God have spared everyone that day And if God is truly omnipotent why do so many children die in gun violence every year To award winning journalist and theologian Brandon Ambrosino these mortal questions provide us with an opportunity to explore the great questions about Divine and human agency especially in relation to human tragedy and a world that seems to be slipping into chaos In this powerful and searching enquiry in the vein of N T Wright and C S Lewis Ambrosino argues that theologians have been poorly equipped to confront these questions because many hang on to an omnipotent model of God Exploring the daily tragedies that so many of us must contend as well as a provocative and challenging reading of Christ s death and resurrection Ambrosino provides us with the tools to understand and process grief but also presents a refreshing portrait of less a God of power and more of one of persuasion who can still provide a residue of hope in a world gone wrong

**Where God Happens** Rowan Williams,2007-08-14 The place where God happens according to Rowan Williams s striking new reading of the Desert Fathers and Mothers is between each other It s a truth that we of the twenty first century most urgently need to learn in order to heal the experience of alienation that has become endemic to our age and these odd and appealing ancient figures surprisingly hold keys to this healing The fourth century Christian hermits of Egypt Syria and Palestine understood the truth of Christian community profoundly and their lives demonstrate it vividly even though they often lived in solitude and isolation The author breaks through our preconceived ideas of the Desert Fathers to reveal them in a new light as true and worthy role models even for us in our modern lives who have much to teach us about dealing with the

anxieties uncertainties and sense of isolation that have become hallmarks of modern life They especially embody valuable insights about community about how to live together in an intimate and meaningful way Williams makes these radical figures who clearly have a special place in his heart come to life in a new way for everyone The book includes an appendix of selections from the teachings of the Desert Fathers Bismarck: the Story of a Fighter Emil Ludwig,1927 The "Summa Theologica" of St. Thomas Aquinas ... Saint Thomas (Aquinas),1920 A Commentary on the Holy Scriptures: Ezekiel Johann Peter Lange,1876 **The Child** ,1917 A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange,1872 **The Growth of medicine from the earliest times to about 1800** Albert Henry Buck,1917 *The School News and Practical Educator* ,1925 The Practical Catechist Jakob Nist,1915 The Homiletic Review ,1913 *The Lutheran Companion* ,1917 **Lutheran Companion** ,1917 **Railway Signal** ,1903
