Where Eagles Fall

Mary Casanova

Where Eagles Fall:

Where Eagles Fall Lorri Martinez, 1982 Faith, Unity, Discipline Muhammad Azam Zia, 2015-11-20 This poetry book implores ways to recognize contemporary circumstances in an unorthodox and nostalgic manner so as to draw attention to life's raw deal. There is contempt but with a noble motive the desire to bring change in the thinking of the reader. Its principle reason over the long range is to bring about change through peace, hope, and inspiration. One might say that it seeks to give us a fresh viewpoint on the incongruities and evils we live among the evil we ignore or the evil that we ourselves are. Faith, Unity, and Discipline is a collection of thoughts, a compilation of memories, a basket of hope, and a plea for humanity. Some pieces question the accepted norms of everyday life and some pieces try to put together the puzzles of faith and sincerity of effort. Each poem should be read under individual light as they were written in a spirit of independent thinking. If found and read after the life of the poet, the reader is urged to try to imagine the thoughts that must have affected the poet. After all, imagination is the most spectacular sense we, the humans, possess.

Animals in Young Adult Fiction Walter Hogan, 2009-07-01 Of the many themes occurring in young adult literature, one that bears more extensive exploration is the adolescent animal connection. Although substantial critical commentary has addressed children's animal stories and animals in adult fiction, very few studies have been devoted to adolescent animal encounters. In *Animals in Young Adult Fiction*, Walter Hogan examines several hundred novels and stories to explore the ways in which animals are represented in these works. In addition to providing an historical survey, Hogan looks at both realistic fiction and speculative works including fantasy, supernatural horror, and science fiction. Hogan reviews stories that feature wild animal encounters, stories centered on relationships with horses, dogs, and other working and performing animals, and those featuring relationships with pets. Drawing upon established scholarship, this book examines human-animal relationships from multiple angles, making it an invaluable resource for librarians, teachers, and students of children's and young adult literature.

Iranian F-4 Phantom II Units in Combat Farzad Bishop, Tom Cooper, 2012-11-20 An illustrated combat history of the jet, different versions of which have provided the backbone of the frontline strength of the Iranian air force since the 1970s.

Evolvements of Early American Football Melvin I. Smith, 2008 This book is a revision/extension to the author's first book. With the recent availability of digitized old newspapers and magazines, much more football data have been found for the 1800s. The games are again divided into three basic forms of football, but now are listed under the actual style names used at the times played. They are the Kicking Game, Association Football (now soccer), Carrying Game, Boston Rules Game, American Rugby Game, English Rugby Union (now rugby), and the Ball Control Game. American Collegiate Game, American Rugby Football (now football). Within these basic forms, the games are listed under colleges, independent clubs, and high schools. There is a chapter on leagues, conferences, and the appendices contain team histories with the types of football played.
