*The Chaos Strategy* Curt Davis, 2016-11 The Plan To Take Over America Learn about the ancient Bible prophecy that foretold the clash of the four major ideologies of the world today Learn how the clash of the ideologies drives world politics economic and religion and will soon affect every aspect of our lives Learn about the four books that have most affected mankind and their mysterious origin from the Mediterranean Basin which will soon produce the Beast of the Book of Revelation Learn about the chaos strategy which is presently dismantling the world in order to bring in the New World Order Learn about the systematic implementation of chaos in order to take over the United States of America since it s founding the citadel of evangelical Christianity the last remaining obstacle in Satan s plan to control the world

*Strategy for Chaos* Colin Gray, 2004-08-02 In this volume Professor Colin Gray develops and applies the theory and scholarship on the allegedly historical practice of the Revolution in Military Affairs RMA in order to improve our comprehension of how and why strategy works The author explores the RMA hypothesis both theoretically and historically The book argues that the conduct of an RMA has to be examined as a form of strategic behaviour which means that of necessity it must work as strategy works The great RMA debate of the 1990s is reviewed empathetically though sceptically by the author with every major school of thought allowed its day in court The author presents three historical RMAs as case studies for his argument those arguably revealed in the wars of the French Revolution and Napoleon in World War I and in the nuclear age The focus of his analysis is how these grand RMAs functioned strategically The conclusions that he draws

from these empirical exercises are then applied to help us understand what indeed is and what is not happening with the much vaunted information technology led RMA of today
