Stratification of Power John Scott,2004      Class, Status, and Power Reinhard Bendix,Seymour Martin Lipset,1953      Understanding Class Erik Olin Wright,2015-09-15 Few ideas are more contested today than class Some have declared its death while others insist on its centrality to contemporary capitalism It is said its relevance is limited to explaining individuals economic conditions and opportunities while at the same time argued that it is a structural feature of macro power relations In Understanding Class leading left sociologist Erik Olin Wright interrogates the divergent meanings of this fundamental concept in order to develop a more integrated framework of class analysis Beginning with the treatment of class in Marx and Weber proceeding through the writings of Charles Tilly Thomas Piketty Guy Standing and others and finally examining how class struggle and class compromise play out in contemporary society Understanding Class provides a compelling view of how to think about the complexity of class in the world today

Mitchell, 2012-11-12 Ambivalent Europeans examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual Class Analysis and Social Transformation Michael Savage, 2000 Particular attention is paid to arguments developed by Beck and Giddens concerning individualization and he shows how the redrawing of individual relations is tied in to the remaking of social classes in complex and largely unrecognized ways This book brings together recent empirical research on class and should be of interest to students of social science wishing to learn about the debates on class analysis **BOOK JACKET** *Manuel Castells: & 3, From The informational city to The information age* Frank Webster, Basil Dimitriou, 2004 **Manuel Castells: From the informational city to the information age** Frank Webster, Basil Dimitriou, 2004 These volumes bring together major critical responses to and engagement with the work of
