

The Ultimate Thanksgiving

A USER'S GUIDE TO CREATING THE PERFECT FEAST

For the editors of *Real Simple*, this is the most important dinner of the year. It probably is for you, too.

So when it came time to plan the November issue, our job was simple: Dedicate these pages to the grand feast.

We set down that by creating a culinary guide that breaks the Thanksgiving meal—course by course, dish by dish—into delicious components. We present recipes for everything from soup to dessert, including tons of extras and the whole turkey, with the turkey stuffing and all the side dishes in center stage. We also have tips on what to drink, how to carve the turkey and how to set the table.
