THE VIRTUOUS WOMAN ...AND KING LEMUEL: A Prophetic Interpretation TIMIBRA TOIKUMO, 2017-04-14 The book is a prophetic interpretation of proverbs chapter thirty one It reveals king Lemuel as the New Testament saints conceived from a spiritual vow of the New Jerusalem Mother which is the True Church of Christ The Virtuous Woman and all her attributes hold the secret to the qualities Christ seeks to find in His church when He returns What the church of Christ as endowed with great glory and power lay hidden in the Virtuous Woman and what the saints

should become lay hidden in King Lemuel This book brings out all necessary scriptural interpretation for the Endtime saints to help them prepare for the coming of the Lord The whole chapter of proverbs thirty one is explained verse by verse prophetically and a blessing is in it for all who read the book **The Holy Bible ... With Explanatory Notes, References, and a Condensed Concordance. Illustrated with ... Engravings**, 1876 **The Prophet's Dictionary** Paula A. Price, 2024-12-10 The Prophet s Dictionary by Dr Paula Price is now a premium expanded edition Over 500 new relevant definitions of terms and phrases for the prophetic realm of Christian ministry are packed into this reference tool This edition is a must have for laymen prophesiers pastors intercessors and dreamers of dreams The Harry Potter Companion Acascias Riphouse, 2004-07 Explores the true history folklore and mythology behind the magical practices creatures and personalities that appear in J K Rowling s Harry Potter books **The Physically Disabled in Ancient Israel According to the Old Testament and Ancient Near Eastern Sources** Michael D Fiorello, 2014-09-01 In a unique way this study probes the linguistic sociological religious and theological issues associated with being physically disabled in the ancient Near East By examining the law collections societal conventions and religious obligations towards individuals who were physically disabled Fiorello gives us an understanding of the world a disabled person would enter He explores the connection between the literal use of disability language and the metaphorical use of this language made in biblical prophetic literature as a prophetic critique of Israel s dysfunctional relationship with God **COMMENDATIONS** In this well researched volume Michael Fiorello has made a significant contribution to the study of disability in the Bible in the context of its ancient Near Eastern world Fiorello s work needs to be taken seriously in the church the academy and the world Richard E Averbeck Trinity Evangelical Divinity School USA **The books of Nahum, Habakkuk and Zephaniah, with intr. and notes by A.B. Davidson** Prophets (Minor), 1896 **Theological quarterly**, 1908 **Illuminating the Narrow Gate** Karl R. Luther, 2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel the gospels and Revelation in their entirety In fact they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries Like a challenging riddle that cannot be solved the answer is obvious in hindsight Only the blinding power of a paradigm can explain how we missed it for so long The revelations will strike with devastating force because the book first arrives at the

same conclusion through more traditional means It convincingly describes how Jesus had come to uproot Judaism but the version of Christianity that developed in his wake failed to make the paradigm shift Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War Furthermore the book illuminates the nature of evil and its well cloaked ways which is essential for unraveling the prophecies This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding As the first devout Christian to read this interpretation commented It rocked my apple cart to the core In addition it presents an array of scientific evidence for the spiritual realm s existence that complements its amazing demonstration that long range prophecy is truly possible It thus shows the atheistic religion of scientism is also doomed Meanwhile the book proves Jesus was the Anointed One Messiah with a telescoping trio of prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27 34 CE Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation The great spiritual awakening will soon be kicking into high gear which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting As Jesus and a group of angels informed an atheist during his near death experience in 1985 The world is at the beginning of a major transformation It will be a spiritual revolution that will affect every person in the world Can you handle the truth Are you ready to awaken If so this world changing book is at your service You only have to purchase Vol I to get the book s core insights and revelations A PDF document of the Endnotes Bibliography Index et al published in Vol II can be downloaded for free from the book s website to make Vol I a self standing book
