Peace Transnational Circulations enlarges our understanding of Virginia Woolf s pacifist ideology and aesthetic response to
the World Wars by re examining her writings and cultural contexts transnationally and comparatively through the complex
interplay between modernism politics and aesthetics The transnational paradigm that undergirds this collection revolves
around the idea of transnational cultural communities of writers artists and musicians worldwide who were intellectually
involved in the war effort through the forging of pacifist cultural networks that arose as a form of resistance to war
militarism and the rise of fascism The book also offers philosophical approaches to notions of transnational pacifism anti war
ethics and decolonization examining how Woolf s prose undermines center edge or self other bifurcations Breathing new life
into Woolf s anti war writings through a transnational lens and presenting us with the voices and perspectives of a range of
significant scholars and critics the chapters in this volume engage with mobile and circulatory pacifisms calling attention to
the intersections of modernist inquiries across the arts art music literature and performance and transnational critical spaces
