Biography John Buchan 1875-1940 was a Scottish novelist, historian, and Unionist politician who served as Governor General of Canada the 15th since Canadian Confederation. After a brief legal career, Buchan simultaneously began his writing career and his political and diplomatic careers, serving as a private secretary to the colonial administrator of various colonies in southern Africa. He eventually wrote propaganda for the British war effort in the First World War. Buchan was in 1927 elected Member of Parliament for the Combined Scottish Universities but he spent most of his time on his writing career, notably writing *The Thirty-Nine Steps* and other adventure fiction. In 1935 he was appointed Governor General of Canada by King George V on the recommendation of Prime Minister of Canada R. B. Bennett to replace the Earl of Bessborough. He occupied the post until his death in 1940. Buchan proved to be enthusiastic about literacy as well as the evolution of Canadian culture and he received a state funeral in Canada before his ashes were returned to the United Kingdom.

The Thirty-Nine Steps by John Buchan. An Adventure Novel. *The Thirty-Nine Steps* is an adventure novel by the Scottish author John Buchan. It first appeared as a serial in *Blackwood's Magazine* in August and September 1915 before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations. The novel formed the basis for a number of film adaptations, notably Alfred Hitchcock's 1935 version, a 1959 colour remake, a 1978 version which is perhaps most faithful to the novel, and a 2008 version for British television. The novel is set during May and June 1914, Europe is close to war, and spies are everywhere. Richard Hannay, the protagonist and narrator, an expatriate Scot, returns to his new home, a flat in London, after a long stay in Rhodesia in order to begin a new life. One night he is buttonholed by a stranger, a well-travelled American who claims to be in fear for his life. The man appears to know of an anarchist plot to destabilise Europe, beginning with a plan to assassinate the Greek Premier, Karolides, during his forthcoming visit to London. The man reveals his name to be Franklin P. Scudder, a freelance spy, and remarks that he is dead, which holds Hannay's attention. Scudder explains that he has faked his own death in order to avert suspicion. Scudder claims to be following a ring of German spies called the Black Stone, who are trying to steal British plans for the outbreak of war. Hannay lets Scudder hide in his flat, and sure enough, the next day another man is discovered having apparently committed suicide in the same building. Four days later, Hannay returns home to find Scudder dead with a knife through his heart. Hannay fears that the murderers will come for him next but cannot ask the police for help because he is the most likely suspect for the murders. Not only does he want to avoid

imprisonment but he also feels a duty to take up Scudder's cause and save Karolides from the assassination planned in three weeks time. He decides to go into hiding in Scotland and then to contact the authorities at the last minute. In order to escape from his flat unseen, he bribes the milkman into lending him his uniform and exits wearing it, escaping from the German spies watching the house. Carrying Scudder's pocket book, he catches an express train leaving from London St Pancras station. Hannay fixes upon Galloway in south west Scotland as a suitably remote place in which to make his escape and remembers somehow the town of Newton Stewart which he names as his destination when he buys his ticket from the guard.

Beyond the Thirty-Nine Steps Ursula Buchan, 2019-04-18 John Buchan's name is known across the world for *The Thirty Nine Steps*. In the past one hundred years the classic thriller has never been out of print and has inspired numerous adaptations for film, television, radio and stage, beginning with the celebrated version by Alfred Hitchcock. Yet there was vastly more to JB. He wrote more than a hundred books, fiction and non-fiction, and a thousand articles for newspapers and magazines. He was a scholar, antiquarian, barrister, colonial administrator, journal editor, literary critic, publisher, war correspondent, director of wartime propaganda, member of parliament and imperial proconsul, given a state funeral when he died, a deeply admired and loved Governor General of Canada. His teenage years in Glasgow's Gorbals, where his father was the Free Church minister, contributed to his ease with shepherds and ambassadors, fur trappers and prime ministers. His improbable marriage to a member of the aristocratic Grosvenor family means that this account of his life contains at its heart an enduring love story. Ursula Buchan, his granddaughter, has drawn on recently discovered family documents to write this comprehensive and illuminating biography. With perception, style, wit and a penetratingly clear eye, she brings vividly to life this remarkable man and his times.

The Thirty-nine Steps John Buchan, 1984 [The Thirty-Nine Steps. Adventure Novel by John Buchan.](#), 2016-08-10 *The Thirty Nine Steps* is an adventure novel by the Scottish author John Buchan. It first appeared as a serial in *Blackwood's Magazine* in August and September 1915, before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations. John Buchan wrote *The Thirty Nine Steps* while he was ill in bed with a duodenal ulcer, an illness which remained with him all his life. The novel was his first shocker, as he called it, a story combining personal and political dramas. The novel marked a turning point in Buchan's literary career and introduced his adventuring hero, Richard Hannay. He described a shocker as an adventure where the events in the story are unlikely and the reader is only just able to believe that they really happened. Buchan's son, William, later wrote that the name of the book originated when the author's daughter was counting the stairs at a private nursing home in Broadstairs, where Buchan was convalescing. There was a wooden staircase leading down to the beach. My sister, who was about six and who had just learnt to count properly, went down them and gleefully announced there are 39 steps. Some time later the house was demolished and a section of the stairs, complete with a brass plaque, was sent to Buchan. The mysterious phrase 'Thirty Nine

Steps first mentioned by the character Franklin Scudder becomes the title of the novel and the solution to its meaning is a thread that runs through the whole story
