Weeds in Bloom Robert Newton Peck, 2009-07-08 With over 65 books published including the breathtaking and somewhat autobiographical *A Day No Pigs Would Die* Robert Newton Peck has enjoyed an illustrious writing career Now in an autobiography as unique as he is Peck tells his story through the people in his life From his roots as a poor Vermont farmer's son to his years as a soldier in World War II from his time slogging away in a paper mill to his semi retirement in Florida Peck shows us people who too often go unseen and unheard the country's poor and uneducated For decades I've examined the autobiographies of my fellow authors Bah Many could have been titled *And Then I Wrote So* instead of *my life and lit* here is the unusual a tarnished treasury of plain people who enriched me taught me virtues and helped me hold a mite of manhood They're not fancy folk so please expect no long stemmed roses from a florist They are instead the unarranged flora that I've handpicked from God's greenhouse weeds in bloom From the Hardcover edition
