**The Working Life** Joanne B. Ciulla, 2011-03-16 A wide ranging look at the allure and changing significance of work With seductions misunderstandings and misinformation everywhere this immensely readable book calls for a new contract with ourselves Drawing from history mythology literature pop culture and practical experience Ciulla probes the many meanings of work or its meaninglessness and asks Why are so many of us letting work take over our lives and trying to live in what little time is left What has happened to the old unspoken contract between worker and employer Why are young people not being disloyal when they regularly consider job changing Employers can't promise as much to workers as before Is that because they promise so much to stockholders Why are there mass layoffs and downsizing in a time of unequalled corporate prosperity And why are the most common lies in business about satisfactory employee performance The traditional contract between employers and employees is over This thoughtful and provocative study shows how to replace it by the one we make with ourselves

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
