Your Eternal Identity:

Your Eternal Identity Marie S. Watts,1973 **Your Eternal Identity** Julanne Dalke,2024-10 There comes a time when you want to remember who you were when you weren't carrying other people's burdens as well as your own Get started by saying I've had enough Start by being your own influencer Look for answers to your inquiries without any outside impact A tiny ray of light shines upon you when you return to your own beauty once again Nearly every revolutionary change in the history of human progress came about because someone questioned a time honored belief or tradition The question reveals a new truth a new way of doing things and a new standard of ethical and moral behavior Please keep an open mind In the course of your life you will come across individuals who presume to know what is best for you It usually starts with your parents No surprise there right The problem is your Eternal Identity is an elusive concept Many inherently feel they must define themselves by what they do and what others perceive is best From an early age children are under the influence of a relatively small selection of roles and consistent character traits modeled by others Those traits seldom accurately represent your own intrinsic sense of self The confusion surrounding your true nature is further compounded by society who consistently asks you to suppress your emotions intellect and spiritual vibrancy Society is in favor of trying to glean from you whatever they are reaching for outside of themselves People often expect you to change so they can feel better There's a lot of shame and blame that goes with this concept and it never feels good for either party involved Think You are a being of light pure positive energy inhabiting a physical body Yet we ignore this incredible element of Eternal Identity It is when you do not use your inborn Wisdom that you begin to doubt your personal truths What you instinctively know is true in your heart is invariably guaranteed You can discover how attractive and useful self trust can be when you grow into the power of your internal understanding *I Am His: Understanding Your Identity Through Jesus Christ* Mark D. Lyman, Sarah Lyman Smith,2026-02-26 Authors Mark D Lyman and Sarah L Lyman As human beings we often struggle to discover our own identity The world tries to box us in with labels but the Lord can simplify and illuminate our earthly identity by providing eternal perspective Prophets like Moses Isaiah and Paul clearly taught our divine identity and clarified our celestial destiny Isaiah wrote Fear not for I have redeemed thee I have called thee by thy name thou art mine Isaiah 43 1 President Russell M Nelson recently shared his thoughts regarding our identity I believe that if the Lord were speaking to you directly the first thing He would make sure you understand is your true identity My dear friends you are literally spirit children of God Through the Atonement of Jesus Christ we are born again John 3 3 and begotten of Him Doctrine and Covenants 76 24 In I Am His father and daughter Mark and Sarah Lyman help us to discover how Jesus Christ and His atonement reaffirm our original and superlative identity and the knowledge that WE ARE HIS **Eternal Life Our Identity in Christ** David E. Longenecker,2012-03 Discover how to gain a supernatural advantage for victorious living today Eternal Life Our Identity in Christ reveals secrets you need to know for victorious Christian living In order to reach your divine destiny you must

understand your divine identity Jesus has provided much more in redemption than most Christians are aware When you know what eternal life is and provides the miraculous becomes a common occurrence in your life In *Eternal Life Our Identity in Christ* you will discover how to Change your destiny by discovering your true identity Understand your spiritual authority like never before Live above sin sickness and Satan Step out daily in the dominion of God Develop an incredible sense of dignity and worth Discover how you were meant to live The truths within this book will transform your every experience with God Guaranteed **ReAwakening** Dr. Bobby M. Wagner,2020-04-26 Within the pages of this book is life giving water for a church and a people that often don t know they re thirsty Despite technological theological and sociological advances and the ability and platform to spread the Gospel like never before the church of Jesus Christ continues to lose effectiveness and become divided over theological and doctrinal issues This is because it has lost its identity an identity characterized by God s love power joy purpose and meaning an identity reflecting God s glory to a fallen world The question is how do we get back to the place where God intended us to be Although God wants us to move on to maturity sometimes we have to lay again the foundation **ReAwakening The Power of the Gospel** reminds us of the basics With so many Christians fighting over correct doctrine this book presents our Christian doctrinal foundation Why are we here What is our identity What is the Good News What do we need to do to be saved Pastor and author Dr Bobby Wagner answers all of those questions and more **ReAwakening** clearly attempts to present all the theological and doctrinal truths surrounding the Gospel **Waaqeffannaa** Rundassa Eshete,2026-02-10 For millennia humanity has looked to the stars and asked the same eternal questions Where do we come from And where do we go when we die While many world religions have answered these questions with mythic tales of divine creation and rigid doctrines there is a more expansive harmonious and scientifically resonant worldview **Waaqeffannaa** **Waaqeffannaa** also known as **Waaqaa** ism is the original spiritual and philosophical belief system of the Oromo people of East Africa Unlike religions that revolve around a distant arbitrary deity **Waaqeffannaa** is rooted in the observable behavior of the cosmos It presents a revolutionary principle that Waa Matter organized itself over billions of years evolving from atoms to cells and eventually into the complex nervous systems that allowed the universe to finally reflect upon itself In this mirror the universe reflected itself and the reflection became awareness from where experience was born and started to echo the cosmos **Waaqeffannaa** is more than a religion it is a revelation of humanity s place within a living evolving and profoundly interconnected universe It challenges us to look beyond the limits of ancient interpreters and find truth in the very laws that move galaxies and shape life Whether you are seeking a deeper understanding of African indigenous philosophy or a spiritual path that aligns with the complexities of modern science **Waaqeffannaa** offers a radical reorientation of thought It is an invitation to transcend the narrow confines of human history and reconnect with the eternal heartbeat of the cosmos **Sri Chaitanya's Life and Teachings** Steven Rosen,2017-11-08 Tucked away in ancient Sanskrit and Bengali texts is a secret teaching a blissful devotional bhakti tradition that involves sacred congregational chanting kirtana

mindfulness practices japa smara am and the deepening of one s relationship with God rasa Brought to the world s stage by Sri Chaitanya Mahaprabhu 1486 1533 and fully documented by his immediate followers the Six Goswamis of Vrindavan these unprecedented teachings were passed down from master to student in Gau iya Vaishnava lineages The Golden Avatara of Love Sri Chaitanya s Life and Teachings by contemporary scholar Steven J Rosen makes the profound truths of this confidential knowledge easily accessible for an English language audience In his well researched text modern readers spiritual practitioners scholars and seekers of knowledge alike will encounter a treasure of hitherto unrevealed spiritual teachings and be able to fathom sublime dimensions of Sri Chaitanya s method Using the ancient texts themselves and the findings of contemporary academics Rosen succeeds in summarizing and establishing Sri Chaitanya s life and doctrine for the modern world
