*Eve's Secret* Mark Cunningham,2011-05-12 Author Mark Cunningham was instructed by Mother Earth to show women their missing connection He was told that the time is now for women to be free thus leading us to the 21st century Garden of Eden Why you may ask a message for the feminine coming from a man That was Mark s question as well but following the Divine Will rather than his own Mark did as instructed This message from Mother Earth will reveal the hidden Eve the feminine face of God in all women who choose to be freed Eves Secret is not just a message but simple language tools to guide women to the door of enlightenment Once they step through the door they will feel the love light and optimism as it rains down on them With this new insight and energy they will clearly see their life purpose Love is freedom s rain Freedom is love s reign If you would like a personal discussion of Eve s Secret joins us at Eve s Secret Retreat Mention Xlibris and receive 50 off the retreat For more information visit our website at [mcleodecofarm.com/retreats](http://mcleodecofarm.com/retreats) **Your Inner Eve** The

Rewriting Eve Ronna Detrick,2023-10-03 We wouldn't consider letting Isis Medusa Pandora or Persephone slip from our lexicon To somehow forget the legend of Harriet Tubman Anne Frank or Mother Teresa would never cross our minds And yet when it comes to the stories of Eve and other biblical characters they are rarely known barely appreciated and ostensibly lost by most of us not deeply entwined within organized religion Trapped in patriarchy and theological argument dismissed as irrelevant or viewed as unchangeable even as times change these women's voices desires and hearts have too often been silenced through misunderstanding and neglect As result we are as well But when they are reimagined deconstructed disentangled from doctrine and dogma and heard on their own terms these stories become powerful inspiration and a source of discernment that reconnects us to a feminine lineage and a sovereign sense of self we've never known to call on or trust In Rewriting Eve Rescuing Women's Stories from the Bible and Reclaiming Them As Our Own Ronna Detrick invites us into the presence and power of ten sacred women revealing the endlessly relevant ways in which they speak today and showing how they can heal embolden and transform our stories
