## Spanking Watson:

Spanking Watson Kinky Friedman, 2000-09 How many lesbians can dance on the head of a pin Kinky Friedman sure as hell doesn't know but he's learning exactly how many it takes to send the geriatric plaster tumbling from the ceiling of his downtown New York loft The culprit is one Winnie Katz man hating proprietress of a lesbian dance troupe that thunders daily through his waking dreams And when Winnie won't even give it enough of a rest to let Kinky patch the hole our hero lost in a blue gray haze of Irish whiskey and cigar smoke takes drastic action He pens an anonymous threatening note hoping as only one lost in an alcohol soaked fantasy can hope to then step in as Ace Private Big Dick Friedman and save the day thus earning the undying gratitude of Ms Winnie Besides just as Sherlock Holmes had his Watson the Kinkster needs a suitable sidekick and what better test He calls on each of his Village Irregulars to solve the case reporter Mike McGovern Dylan look alike Ratso Sloman investigator Steve Rambam and his own lady love the delicious Stephanie Dupont But things get dicey when the bogus death threat turns all too real and suddenly Kinky and his Keystone crime fighters find themselves dancing none too daintily for their lives

*Because I Said So* Sarah Ockwell-Smith, 2023-09-14 A vital read not just for parents but anyone who values the next generation Psychologies A provocative new book which challenges every aspect of modern parenting Daily Mail Society is making great strides in increasing awareness of oppression and injustice but one group remains mistreated children Commonly recommended parenting and discipline methods treat children in ways that would cause uproar if adults were treated similarly Children's needs and feelings are frequently dismissed and ignored by adults Children are taught to blindly obey adults in the name of respect although respect is so rarely shown to them We are a society that is afraid of treating children kindly as evidenced by the almost constant uproar and ridicule of the gentle parenting movement In this timely book bestselling author and parenting expert Sarah Ockwell Smith blends childcare history sociology psychology and current affairs to raise awareness of childism the unconscious discrimination of children in our world and why it impacts everybody Essential for parents carers teachers and anybody who works with children *Because I Said So* is both a thought provoking guide and an urgent call to action It will help you to understand your own upbringing and how this has shaped your beliefs and behaviour prompt you to consider the prevalence of childism in society today so that you can change the way you look after the children in your care or reinforce the approach you are already taking and consider how we can transform the way our society treats children to create positive lasting change for generations to come Childism is an issue that has been ignored and avoided for far too long If we want to change the world for the better we must start with treating our children better
