Einstein Intersection Samuel R Delany, 2013-05-21 A nonhuman race reimagines human mythology *The Einstein Intersection* Samuel R. Delany, 1970 **The Einstein Intersection** Samuel R. Delany, 1998 **A Different Myth** David Robert Ripper, 1970 The Einstein Intersection Wesleyan University Press, **The Einstein Intersection** Michael John Harrison, 1968 **In Search of Silence** Samuel R. Delany, 2015-10-06 The renowned novelist and critic's private journals spanning from his years as a high school student in the Bronx to early adult life in San Francisco For fifty years Samuel Delany has cultivated a special relationship with language in works of fiction criticism and memoir that have garnered critical praise and legions of fans The present volume the first in a series reveals a new dimension of his genius In Search of Silence presents over a decade's worth of Delany's private journals commencing in 1957 when he was still a student at the Bronx High School of Science and ending in 1969 when he was living in San Francisco and on the verge of reconceiving the novel that would become *Dhalgren* In these pages Delany muses on the writing of the stories that will establish him as a science fiction wunderkind the early years of his marriage to the poet Marilyn Hacker performances as a singer songwriter during the heyday of the American folk revival travels in Europe experiences in a New York City commune and much more and crosses paths with artists working in many genres including poets such as Robert Frost W H Auden and Marie Perle and science fiction writers such as Arthur C Clarke Michael Moorcock Roger Zelazny and Joanna Russ Delany scholar Kenneth R James presents the journal entries alongside generous samplings of story outlines poetry fragments of novels and essays that have never seen publication and more James also provides biographical synopses and an extensive set of endnotes to supply contextual information and connect journal material to Delany's published work This is a tremendously significant and vital addition to the oeuvre of Samuel Delany it clarifies questions not only of the writer's process but also his development to see in his juvenilia traces that take full form in his novels is literally breathtaking Matthew Cheney author of *Blood Stories* Traversing Delany's youth we see a precocious mind grappling with his own talent he lives on two registers participating in the world and also observing it living simultaneously as a kid in NYC and a writer of genius Robert Minto New Republic Mesmerizing a true portrait of an artist as a young Black man already visible in these pages are the wit sensitivity penetration playfulness and the incandescent intelligence that will characterize Delany and his extraordinary work Junot Diaz author of *The Brief Wondrous Life of Oscar Wao* **Afro-Fabulations** Tavia Nyong'o, 2018-11-27 Winner 2019 Barnard Hewitt Award for Outstanding Research in Theatre History given by the American Society for Theatre Research Honorable Mention 2021 Errol Hill Award given by the American Society for Theatre Research Argues for a conception of black cultural life that exceeds post blackness and conditions of loss In *Afro Fabulations* The Queer Drama of Black Life cultural critic and historian Tavia Nyong'o surveys the conditions of contemporary black artistic production in the era of post blackness Moving fluidly between the insurgent art of the 1960s and the intersectional activism of the present day Afro

Fabulations challenges genealogies of blackness that ignore its creative capacity to exceed conditions of traumatic loss social death and archival erasure If black survival in an anti black world often feels like a race against time Afro Fabulations looks to the modes of memory and imagination through which a queer and black polytemporality is invented and sustained Moving past the antirelational debates in queer theory Nyong o posits queerness as angular sociality drawing upon queer of color critique in order to name the gate and rhythm of black social life as it moves in and out of step with itself He takes up a broad range of sites of analysis from speculative fiction to performance art from artificial intelligence to Blaxploitation cinema Reading the archive of violence and trauma against the grain Afro Fabulations summons the poetic powers of queer world making that have always been immanent to the fight and play of black life
