The Professionals:

Samuel Butler against the Professionals David Gillott,2017-07-05 In the wake of the 2009 Darwin bicentenary Samuel Butler 1835 1902 is becoming as well known for his public attack on Darwin s character and the basis of his scientific authority as for his novels Erewhon and The Way of All Flesh In the first monograph devoted to Butler s ideas for over twenty years David Gillott offers a much needed reappraisal of Butler s work and shows how Lamarckian ideas pervaded the whole of Butler s wide ranging oeuvre and not merely his evolutionary theory In particular he argues that Lamarckism was the foundation on which Butler s attempt to undermine professional authority in a variety of disciplines was based Samuel Butler against the Professionals provides new insight into a fascinating but often misunderstood writer and on the surprisingly broad application of Lamarckian ideas in the decades following publication of the Origin of Species

The Professional Identity of the Human Rights Field Officer Michael O'Flaherty,George Ulrich,2010 The important and groundbreaking volume The Professional Identity of the Human Rights Field Officer completes the study of human rights field work begun in the earlier The Human Rights Field Operation Law Theory and Practice 2007 Ashgate Building on the critique of the field s historical development and current situation featured in the earlier volume O Flaherty Ulrich and their fellow contributors focus on the specific responsibilities of the individual human rights officer and concentrate on vital issues of professionalism beyond the confines of any specific organization Their expansion of the analysis in the case studies section of the first volume has resulted in an up to date global edition of significant academic interest to anyone within the field of human rights law
