The Tribulation Cycle:

The Scroll , **The Time of the End: The 10 Year Tribulation Period and The Conditional Rapture of Tribulation Saints** Matthew S Crane,2017-11-01 One of the most popular and hotly debated topics in recent years has been the subject of what is commonly called The Tribulation Period Theories speculations and predictions abound as to when this apocalyptic time begins and who will be a part of it Some Bible teachers insist that Christians who have been born again during the Church Age will have no part whatsoever in this time while others teach that it is the Church s prophesied destiny to endure to the end and wait for the cataclysmic 2nd coming of the Lord Jesus Christ Which one is right Which one is wrong The one thing that all current theories seem to have in common is an abundance of inconsistencies and missing pieces This book seeks to explain many of the obscure passages in Scripture that seem to have been misunderstood and misapplied for the last two thousand years and bring to light a couple of important truths that have been right in front of us all along which when properly understood bring consistency to the puzzle of prophecy and causes many of the hitherto difficult pieces to fit

Blackmon,2000-10 The Tribulation Cycle is a contemporary story of the classic age old battle between good and evil In the final days according to the Book of Revelations Satan will search the world for the bringer of destruction the anti Christ to set humanity against itself and force it to chose between his lies and deception or the difficult path of righteousness Paul Reardon the fiery young Evangelist of the Christian Soldier Crusade television network will soon undergo this very trial The fate of his soul as well as that of a generation will hang suspended by a thread as the dark forces compel him toward acceptance of the Satan s offer Only one man in the world the imprisoned Geoff Davis knows Reardon s peril He must escape his prison and find Reardon before he can be seduced and then destroy the dark angel before mankind enters another tribulation cycle *The Tribulation & the Church* Chuck Smith,1980 There s a debate in theological circles as to whether or not the church will be here when God s wrath is unleashed upon the earth Many are saying the church must go through this time period of judgment known as the Great Tribulation They speak disparagingly of the blessed hope that Christ will come for His church before God s judgments are loosed upon the earth Since they maintain that there s to be no escape for the church they make the prayer Christ encouraged us to pray in Luke 21 36 meaningless Watch therefore and pray always that you may be counted worthy to escape all these things that will come to pass and to stand before the Son of Man The purpose of this book is to examine the biblical reasons why the church will not be here during the Great Tribulation *National Message and Banner* ,1930

The 70 Weeks of Daniel IX. Fortell the Period of the First and Second Coming of Christ. (Compiled Chiefly from J. B. Dimbleby's "Appointed Time". 2. Ed. By W. M. W M,1897 *Destiny*,1966 **The Asatir** Moses Gaster,1927 *The British Journal of Astrology*,1926 *A Revelation of Jesus Christ* Jacob Brubaker Smith,1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction **The divine artist, sermons of consolation by H. approach in his study The result from this long personal study however as detailed in this book is a post trib view of prophecy
This book should provoke lots of thought study and calls to the Spirit for guidance and enlightenment
