The image shows an open, spiral-bound planner with two pages. Each page is titled "Time Blocking" and features a grid for scheduling. The grid has five rows, each labeled "8:00" on the left. To the right of the grid is a list of tasks, with a header "TODAY'S PRIORITY" and a vertical list of empty boxes for writing. Below the task list is a section labeled "REMARKS". The planner is set against a light purple background.

Fresh Food Industries Matthias Lütke Entrup,2005-07-15 Production planning in fresh food industries is a challenging task
Although modern Advanced Planning and Scheduling APS systems could provide significant support APS implementation
numbers in these industries remain low Therefore based on an in depth analysis of three sample fresh food industries dairy
fresh and processed meat the author evaluates what APS systems should offer in order to effectively support production
planning and how the leading systems currently handle the most distinguishing characteristic of fresh food industries the
short product shelf life Starting from the identified weaknesses customized software solutions for each of the sample
industries are proposed that allow to optimize the production of fresh foods with respect to shelf life The book thereby offers
