Y.O.U. & the Ultimate Life Tool® Dr. Zannah Hackett, 2010-03-08 What if you could understand a person by just looking at them What if you knew what to expect from them in terms of performance never to experience disappointment again What if blue eyes dark skin and thick wavy hair gave you enough information to honor the true nature of such an individual With the Knowledge of Y O U and The Ultimate Life Tool one can connect authentically with their children clients co workers and family If there is a human in the equation The Ultimate Life Tool can offer solutions to real life challenges If its infidelity fatigue addiction an identity crisis raising a special needs child creating productive work environments or just a lack of passion for life The Ultimate Life Tool offers Natural Solutions to situations that have become problematic because the PHYSICAL laws of nature have likely been overlooked We can easily recognize trees and animals without having to question which is likely to make shade roar hop or meow Yet we are the only species that cannot SEE itself in its own Natural Perfection Instead we form judgments about others based on their dress their ability to converse their smell their car education family story resume and where they live all of which tells us nothing about the true nature of an individual Until we remember how to SEE each other in our states of authenticity we will continue to impose our own will opinions and beliefs upon one another only to mimic The Blind leading The Blind The Knowledge of Y O U and The Ultimate Life Tool will open your eyes to a whole new perspective on life A new understanding and respect for yourself and human nature will manifest and life will simply make sense The Spirit of Ultimate Life Uchechukwu K. Ozuwa, This book Spirit of Ultimate Life Man's Soul and Eternity will enlighten you on the spiritual anthropology of man though created in the image and after the likeness of God whether you are white black or red Indian We belong to one family in Christ in whom all things consist provided we believe in Him Again we are of three categories and it is by these categories that everyone will stand naked before the judgment seat of God the natural man the carnal man and the spiritual man *Live Happier The Ultimate Life Skill* Barrie Hopson, Mike Scally, 2012-08-09 Happiness is suddenly on everyone's lips even politician's But it has been the eternal quest of every generation since the first human beings How to find it how to keep it how to help others find it People have sought happiness through wealth power success travel love and passion security adventure beauty indeed every aspect of life All that energy and experience has proved that there are no easy answers no magic formulas But what we do have now to accompany the wisdom of the ages is modern scientific evidence from Positive Psychology We now do have the answers to the questions How achievable is happiness What are the components of happier living What are the strengths attitudes and skills of those who live happy creative flourishing lives How can we live happier We offer these and more in this book

On Dr. Allen Hand,2022-12-30 Every once in a while I get a chance to listen to broadcasts on the radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often I get led to deal with some of the monumental misunderstandings that menace the messianic ministry mission momentum motion motive and movement As these pessimistic provocational presentations prevent permeation of positive providential pressure on the profound populace s psyche patterns I constantly think about the repercussions they have on the spiritual psyche It is very unfortunate that we are letting our guards down and allowing this type of pessimistic provocational presentations to prevent the permeation of positive providential pressure on the profound populace s psyche patterns There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and the other is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation **Life, Death, and Immortality** William Hanna Thomson,1911
