World Away

Johann Wolfgang von Goethe

World Away:

A World Away T. J. Smith, 2007-08 To avert a potential underworld mutiny of horrific proportions these fifty insurrectionists were relocated through a portal from the pit of hell to the dark Eldritch Forest of another world parallel to our own Upon their banishment the condemned were transformed into half man and half serpent creatures Thirteen years ago William Clay then a mere child disappeared from a nearby forest never to be seen again Only recently his younger brother Dan acquired information on the forest fables from a questionable source After analyzing fact and legend Dan suspects that his brother may have fallen through the portal into the parallel world and is being held captive by the fifty fiends Join Dan and three friends as they embark on an out of this world journey where they are hunted by savage beasts along the footpath to a demonic castle Smith's pages within are your passport to A World Away where the unimaginable becomes reality the unnatural becomes the norm and the uninvited become fitting prey **A World Away** Andrea Leaphart Hill, 2008-07 The world is rapidly changing and not always for the best Do you ever want to leave this world and wonder if there is a better place in our galaxy Would it really be better How would you get there Well run with Realynn through her story of events and she'll show you the WAY After Realynn's parents are killed she goes to live with her aunt Ananine who is a little weird and mysterious Aunt Ananine is a naturalist who dabs into a lot of medicinal concoctions One day aunt Ananine answers a knock at the door which leads to her disappearance The abductor leaves behind a message that threatens Realynn's life and the time of its return Petrified Realynn searches the house for clues She finds none and in her frustration she falls into a deep sleep In her dream she receives clues to help her Following the instructions in her dream Realynn's journey begins In her quest to find her aunt and to save herself she is led to many strange places worlds away from her own In the end she gains possession of several valuable keys but will they be worth keeping Red Sonja: World's Away Vol.3: Hell or Hyrkania Amy Chu, 2018-09-26 Leaving a world of fast motorcycles and cold beer Sonja returns to a more familiar setting of swords and magic and mead At a nearby tavern she learns strange magic is afoot in this land and a desperate priest is offering mercenaries some serious gold for a dangerous job But something doesn't seem right **The School World**, 1917 **Faust, a tragedy, tr. in the original metres by B.
