

*These Three*

## These Three

**Theodore Parker**

### **These Three:**

**These Three Things** Lisa Jenkins, Terri Averil, Tina Opina, 2024-10-30 A dementia diagnosis can be terrifying and debilitating but this unique book can provide caregivers whether they are family members or professionals with practical and simple tools to effectively address behavior and communication issues that may occur when providing care to those with dementia. These Three Things takes everyday situations: dressing, hygiene, meals, etc. and looks at them from the perspective of a person with dementia with the goal of improving communication between patient and caregiver and minimizing undesirable behaviors. Each scenario is clearly outlined followed by three practical action steps that a caregiver can utilize to solve the problem at hand regardless of where the person is in their dementia journey. While caregiving can be very rewarding, it is also important that caregivers take time to check in with themselves and their needs. A chapter on caregiver stress with suggestions for self-care is also included. This book can be a starting point for education on dementia or it can be used as an intervention. Written by three experts in elder care, These Three Things gives caregivers choices that they can easily make in the moment for common issues as well as encouraging creative problem solving in all other situations not covered in the text. The authors' approach to caregiving comes from within. Caregiving does not always have to have a high financial cost, nor does it always require large time commitments, as many of the suggestions in this book demonstrate.

The Writ of the Three Sovereigns Dominic Steavu, 2019-09-30 In 648 CE Tang imperial authorities collected every copy of the Writ of the Three Sovereigns (Sanhuang wen) from the four corners of the empire and burned them. The formidable talismans at its core were said not only to extend their owners' lifespan and protect against misfortune but also propel them to stratospheric heights of power, elevating them to the rank of high minister or even emperor. Only two or three centuries earlier this controversial text was unknown in most of China, with the exception of Jiangnan in the south where it was regarded as essential local lore. In the span of a few generations, the Writ of the Three Sovereigns would become the cornerstone of one of the three basic corpora of the Daoist Canon, a pillar of Daoism and a perceived threat to the state. This study, the only book-length treatment of the Writ of the Three Sovereigns in any language, traces the text's transition from local tradition to empire-wide institutional religion. The volume begins by painting the social and historical backdrop against which the scripture emerged in early fourth-century Jiangnan before turning to its textual history. It reflects on the work's centerpiece artifacts: the potent talismans in celestial script as well as other elements of its heritage, namely alchemical elixirs and true form diagrams. During the fifth and sixth centuries, with Daoism coalescing into a formal, organized religion, the Writ of the Three Sovereigns took on a symbolic role as a liturgical token of initiation while retaining its straightforward language of sovereignty and strong political overtones, which eventually led to its prohibition. The writ endured, however, and later experienced a revival as its influence spread as far as Japan. Despite its central role in the development of institutional Daoism, the Writ of the Three Sovereigns has remained an understudied topic in Chinese history. Its fragmentary textual

record combined with the esoteric nature of its content have shrouded it in speculation This volume provides a lucid reconstruction of the text s hidden history and enigmatic practices while shedding light on its contributions to the religious landscape of medieval China

**The Revival of China** MAO Min, The book is about the revival of China in the 20th century and the first decade of the 21st century It has eight parts 1 The civil revolution in China 2 The countryside bases 3 The Long Match of the Red Army 4 The Anti Japanese War 5 Decisive civil battles before the establishment of the People s Republic of China 6 The Mao Era before the Great Cultural Revolution 7 The Great Cultural Revolution and 8 The Reform and opening up This version of the book is without pictures

**History of Fiction in China** Zhi Dao, The book provides highlights on the key concepts and trends of evolution in History of Fiction in China as one of the series of books of China Classified Histories

**Demystifying the gods, goddesses, and mythology of Ancient Chinese society.** Henry Romano,2021-03-13 We have in China the universal worship of ancestors which constitutes or did until A D 1912 the State religion usually known as Confucianism and in addition we have the gods of the specific religions which also originally took their rise in ancestor worship namely Buddhism and Taoism Other religions though tolerated are not recognized as Chinese religions It is with a brief account of this great hierarchy and its mythology that we will now concern ourselves Besides the ordinary ancestor worship as distinct from the State worship the people took to Buddhism and Taoism which became the popular religions and the literati also honoured the gods of these two sects Buddhist deities gradually became installed in Taoist temples and the Taoist immortals were given seats beside the Buddhas in their sanctuaries Every one patronized the god who seemed to him the most popular and the most lucrative There even came to be united in the same temple and worshipped at the same altar the three religious founders or figure heads Confucius Buddha and Lao Tz The three religions were even regarded as forming one whole or at least though different as having one and the same object san rh i yeh or han san wei i the three are one or the three unite to form one a quotation from the phrase T ai chi han san wei i of Fang Y lu When they reach the extreme the three are seen to be one In the popular pictorial representations of the pantheon this impartiality is clearly shown
