

A scenic landscape at sunset. The foreground is a dense, green forest covering rolling hills. In the distance, more hills and mountains are visible under a sky with scattered clouds. The sun is low on the horizon, creating a warm, golden glow. The text is overlaid on the upper half of the image.

But seek ye first the kingdom of God, and
his righteousness; and all these things
shall be added unto you.

Matthew 6:33 KJV

These Things Shall Be:

The Things which Shall be Hereafter; Or, God's Testimony about the Future ... Septimus Sears, 1867 *The Things which Shall be Hereafter: Or, God's Testimony about the Future. Gathered from the Sacred Scriptures. By Septimus Sears*, 1867 The Universalist's Book of Reference Everet Emmett Guild, 1881 **The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs** Rev. David Bauscher, 2011-01-14 This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in an English prose translation of The Peshitta New Testament displayed in two columns one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right This translation is derived from the author's Aramaic English Interlinear New Testament Aramaic was used in Mel Gibson's film *The Passion of the Christ* to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering 659 pages in 6x9 paperback The parallel Psalms and Proverbs of both versions are included after the NT **A Series of Pamphlets on the Doctrines of the Gospel** Orson Pratt, 1891 *Nicene and Post-Nicene Fathers* Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustine's exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias Also included in this volume are a selection of Augustine's sermons Property and Trust Law in Hungary István Sándor, 2017-10-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the law of property in Hungary deals with the issues related to rights and interests in all kinds of property and assets immovable movable and personal property how property rights are acquired fiduciary mechanisms and security considerations Lawyers who handle transnational disputes and other matters concerning property will appreciate the explanation of specific terminology application and procedure An introduction outlining the essential legal cultural and historical considerations affecting property is followed by a discussion of the various types of property Further analysis describes how and to what extent legal subjects can have or obtain rights and interests in each type The coverage includes tangible and intangible property varying degrees of interest and the various ways in which property is transferred including the ramifications of appropriation expropriation and insolvency Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp

their meaning and significance The book includes ample references to doctrine and cases as well as to relevant international treaties and conventions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for any practitioner faced with a property related matter Lawyers representing parties with interests in Hungary will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative property law
