## **Thirteen Problems:**

The Thirteen Problems Agatha Christie, 2010 One Tuesday evening a group gathers at Miss Marple's house and the conversation turns to unsolved crimes. As each of her guests is mystified by the sinister tales they tell one another, the company is inclined to forget their elderly host. But there is a ruthless precision in Miss Marple's pursuit of the killers in each tale and a few surprises in store for The Tuesday Night Club. The Thirteen Problems (Marple) Agatha Christie, 2010-10-14 A weekly dinner party. Ten amateur sleuths. The Tuesday Night Club murders.

**Microbreweries, Nanobreweries, and Brewpubs** Joseph Peter Klapatch, 2023-05-09 In the mid 1980s the American beer market offered far fewer options than what is available today. When microbreweries began to come onto the scene, distributors and retailers were skeptical of their new beers and did not believe that these new American brews would be able to compete with imports. Newer, smaller brewers also had to overcome antiquated laws and strong consumer brand loyalty to major domestic beers. After years of struggles, microbrewers established a foothold in the American beer market, popularized new and previously underappreciated styles, and set the stage for a massive proliferation of nanobreweries across the country. This book takes a look at these microbreweries, prime examples of American enterprise and innovation from an industry outsider's perspective. The author explores a select number of small breweries from around the United States, covering their signature brews, histories, and what it took for them to claim their niches in the marketplace.

**Sleuthing Miss Marple** Desirée Prideaux, 2022-06-15 Sleuthing Miss Marple mirrors the structure and playful analytic style of a detective novel. Beginning at the scene of the crime, this investigation places Agatha Christie and the clue puzzle in historical context, casting light on the methods, the motives, and in a sense, the alibis that underpin Christie's crime fiction. In keeping with the clue puzzle analytical method devised for this book, each chapter builds towards a conclusion that delivers a surprising intellectual payoff. This enquiry is unapologetically textual in approach. It constructs a rigorous evidence base drawn from the Marple short stories and novels and presents a useful interpretation of crime fiction scholarship. This provides a foundation for original literary analyses that reveal Christie's engagements with gender roles and genre rules and the sleights of hand that they conceal. Christie's modus operandi is uncovered, as are the narrative strategies and literary devices that she deployed to ambush unwary readers. Crucially, this investigation shows how Christie's ingenious methods made it possible for an elderly spinster to get away with solving murder. Sleuthing Miss Marple will be invaluable for students and researchers of crime fiction, twentieth-century literature, and creative writing.
