Timothy Training Program:

Timothy Training Program Frank Damazio, 1994 Paul's mentoring of Timothy was incomparable. Teach his God-given principles yourself in this leadership training program adapted from I II Timothy. Ideal for small groups or medium-sized classes, this package incorporates teaching, discussion, and relational hands-on discipling for equipping future leaders. The Timothy Training Program - Teacher Edition Frank Damazio, 1994-10 The Timothy Training Program is the first of a two-phase plan for equipping and training leaders within the local church. The Timothy Training Program will equip potential leaders with Bible-based leadership skills, and the Lay Pastor Training Program takes the potential leaders further by establishing and training them for a Lay Pastor role. This book covers requirements and expectations of leaders, proving and preparation, character and placement, promotion and progress. Timothy Training Program, Leader's Guide Hal Schulz, 1979 *Timothy Training Program* Hal Schulz, 1976 *Get in the Go* Dr. Gwyneth Williams, 2011-09-26 The Kingdom of God has been the talk of the world since John the Baptist arrived on the scene to prepare the way for the Messiah. After the baptism of Christ, Jesus continued the message of John: Repent for the Kingdom of Heaven is near. Moves of God throughout history have begun with this message. Jesus taught His disciples to pray, "Thy kingdom come, thy will be done on earth as it is in heaven." Whatever occurs on earth happens as a result of prayer and takes place in heaven first. Heaven wants revival; heaven desires miracles, and we are the vehicles through which His Spirit works. It is going to take people who carry great vision and passion for us to establish kingdom power and authority in our generation. The power and purpose of God has never changed, nor has His strength weakened. Every generation has relied on men and women of God to make visible the invisible presence of God through signs, wonders, and miracles. The same Spirit that raised Christ from the dead is awaiting vessels, people who will represent His cause to a searching world. We have to go no further than our backyards to find a field awaiting harvest. The marketplace is clamoring for success with meaning, eternal meaning. Neighborhoods are flourishing with young minds looking for leadership, and nations are longing for a message of hope. This is our generation, and the command to Go remains the same. We go in the name that is above all names, Jesus. The foundation for all that we do must be love. The apostle Paul admonishes us by saying, "For in Christ Jesus, neither circumcision nor uncircumcision has any value. The only thing that counts is faith expressing itself through love." Galatians 5:6 NIV. Let our expression and our message be saturated with love. Love covers over a multitude of sins. 1 Peter 4:8b NIV. Love never fails. 1 Corinthians 13:8a NIV. **Children Affected by Armed Conflict** Myriam Denov, Bree Akesson, 2017-08-08 Societal turbulence, state collapse, religious and ethnic conflict, poverty, hunger, and social exclusion all underlie children's involvement in armed conflict. Drawing from empirical studies in eleven conflict-ridden countries including Pakistan, Sri Lanka, Thailand, Colombia, Uganda, Palestine, Somalia, Liberia, Sierra Leone, Sudan, and South Sudan, *Children Affected by Armed Conflict* crosses cultures and contexts to capture a range of perspectives on the realities of armed conflict and its aftermath for children. *Children Affected by Armed Conflict* upends

traditional views by emphasizing the experience of girls as well as boys the unique social and contextual backgrounds of war affected children and the resilience and agency such children often display Including children who are victims of participants in and witnesses to armed conflict in their analyses the contributors to this volume highlight innovative methodologies that directly involve war affected children in the research process This validates the perspectives of children and ensures more effective outcomes in postwar reintegration and recovery Deficits based models do not account for the realities many war affected children face The alternative approaches presented in this edited collection which acknowledge the realities of both trauma and resilience aim to generate more effective policies and intervention strategies in the face of a growing global public health crisis
