Un General Assembly Resolution:

The United Nations Security Council in the Age of Human Rights Jared Genser, Bruno Stagno Ugarte, 2014-06-05 This is the first comprehensive look at the human rights dimensions of the work of the only body within the United Nations system capable of compelling action by its member states Known popularly for its failure to prevent mass atrocities in Rwanda the former Yugoslavia and Syria the breadth and depth of the Security Council s work on human rights in recent decades is much broader This book examines questions including how is the Security Council dealing with human rights concerns What does it see as the place of human rights in conflict prevention peacemaking and peacekeeping And how does it address the quest for justice in the face of gross violations of human rights Written by leading practitioners scholars and experts this book provides a broad perspective that describes explains and evaluates the contribution of the Security Council to the promotion of human rights and how it might more effectively achieve its goals International Law Documents Relating to Terrorism

Omer Yousif Elagab, Jeehaan Elagab, 2007 Since 9 11 terrorism has been at the forefront of global politics and international relations This edition brings this comprehensive compilation of international law documents relating to terrorism up to date

United Nations General Assembly Resolutions in our Changing World Blaine Sloan, 2023-10-09 This thoughtful work by the world s leading authority on the law of United Nations General Assembly Resolutions remains of inestimable value in its assessment of the potential role of these resolutions under the New World Order An insider familiar with the institution s complexities Professor Sloan examines with insight and clarity the new opportunities available to the United Nations in a world released from the stifling restraints of the Cold War The book includes detailed documentary annexes as well as a bibliography and index Published under the Transnational Publishers imprint *Peoples and International Law*

James Summers, 2014-04-09 *Peoples and International Law* is a detailed survey of the law of self determination with a focus on the concept of nations and peoples It engages with different aspects of this law with particular emphasis on the drafting and implementation of international instruments The second edition includes new coverage of the Declaration on the Rights of Indigenous Peoples and the African and Arab charters It considers recent practice by the Human Rights Committee Committee on Economic Social and Cultural Rights and African Commission on Human and Peoples Rights dealing with the emerging political economic and environmental aspects of the right The book looks at the interaction of international law nationalism and liberalism in theories of nationhood and self determination as well as the historical development of the right and the decisions of international bodies Lastly it examines practice in this area including new developments in remedial independence and international territorial administration Also available in hardback **A Legal Geography of**

Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 *A Legal Geography of Yugoslavia s Disintegration* explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia s history with a focus on the country s internal administrative

divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community's political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trobovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo's future status international recognition of secession implications of Yugoslavia's disintegration for other conflicts invoking right to self-determination and international intervention in ethnic conflicts

Resolutions and Decisions Adopted by the General Assembly During Its ... Session United Nations. General Assembly, 1973

International Documents on Palestine, 1973 UNDOC, Current Index, 1995 **Acts and Resolutions of the General Assembly of the State of Georgia** Georgia, 1921 *Principles of International Development Law: Progressive Development of the Principles of International Law Relating to the New International Economic Order* Milan

Bulajic, 1993-01-27 Country **An Encyclopedia of War and Ethics** Donald A. Wells, 1996-03-25 This is the first encyclopedia that critically surveys the ethics of war from a variety of perspectives Noted experts raise basic questions about what is just in war describe the views of historic and contemporary thinkers on ethical matters survey practices at different periods and discuss key issues The over 250 entries arranged in alphabetical order cover efforts to curb the havoc of war from medieval to modern times from accidental war to Zagreb Resolution different religious perspectives genocide UN peacekeeping and much more Sources for further reading accompany the entries and internal cross references and an index make this major reference easily accessible for students and teachers in military peace and world affairs studies This is the first encyclopedia that critically surveys the ethics of war from a variety of perspectives Historically efforts to curb the havoc of war have confronted three military maxims military necessity the right of reprisal and the obligation of soldiers to obey superior orders The medieval efforts of just war theorists to protect the innocent avoid needless havoc and prohibit excessive weapons rarely affected military practice Modern congresses have pointed out the inconsistency in concerns about war crimes or crimes against humanity and the weapons and strategies of modern war The pressures of the military industrial complex the profits to be gained by war production and the demands of sovereign nationalism contradict such alternative concerns as those raised by the United Nations and the International Red Cross Noted experts raise basic questions about what is just in war describe the views of historic and contemporary thinkers on ethical matters survey practices at different periods and discuss key issues The over 250 entries arranged in alphabetical order cover efforts to curb the havoc of war from medieval to modern times from accidental war to Zagreb Resolution different religious perspectives genocide UN peacekeeping and much more Sources for further reading accompany the entries and internal cross references and an index make this major reference easily accessible to students and teachers in military peace and world affairs studies
