**Stress and Well-Being and the Changing Nature of Work** Peter D. Harms, Chu-Hsiang (Daisy) Chang, 2026-02-09

This volume examines how rapid workplace changes from remote work to AI and gig economies impact stress and well being. It offers timely insights into the evolving nature of work and its psychological, social, and organisational consequences.

Virtual Management and the New Normal Svein Bergum, Pascale Peters, Tone Vold, 2023-01-31

This book examines how Human Resource Management and leadership have been affected by the COVID 19 pandemic, what organizations can learn from this, and how these new experiences could be applied in the New Normal. The editors of this book have compiled the new knowledge that exists around remote leadership and organizational practices relative to pre COVID 19 studies and the experiences learned during the pandemic. Key discussion themes focus on the role of distance in leadership organizations and HR, the sustainability aspects involved, innovations and knowledge development, achieved the role of digitalization and new requirements and possibilities for management post COVID 19. The editors conclude by investigating the strategic processes and factors influencing the New Normal. This book will be of great importance for academics, students, and practitioners in the fields of Management, Leadership, Human Resource Management, Sustainability, Change Management, and Crisis Management.

Spaces for Creativity and Innovation Within and Across Organizational Boundaries Amalya L. Oliver, Jörg

Sydow, Patrick Cohendet, 2025-04-07. This volume contains an Open Access chapter delving into how creativity and innovation with new knowledge products or processes takes place while crossing organizational boundaries. Chapters showcase new organizational theoretical approaches that emerge from social interaction spaces. **How to**

**Manage** Jo Owen, 2022-08-02. How to Manage is the definitive how to of management. Based on years of management practice in some of the world's leading organisations, it cuts through the theory to show you how to develop the skills, behaviours, political abilities, and emotions to thrive as a manager. *The Wellbeing Centered Workplace* Chris

Cummings, 2026-04-14. A heartfelt personal journey that unlocks the power of evidence-based wellbeing at work. In *The Wellbeing Centered Workplace*, Chris Cummings shares a powerful personal and professional journey following his partner's mental health challenges that motivated him to quit his corporate career and start Wellbeing at Work, a global purpose-led business empowering organizations to prioritize employee wellbeing through community engagement, meaningful connections, and expert knowledge sharing. This book offers an honest account of how prioritizing wellbeing, both personal and organizational, became the cornerstone of sustainable growth, stronger leadership, and elevated team performance. Through real-world experiences, strategic insights, and lessons learned, the author reveals how wellbeing is not a soft skill but a strategic advantage that drives innovation, resilience, and results. Readers will also find 10 practical steps that organizations can take forward to create thriving workplaces, with each step supported by case studies from senior business leaders who have found standout success in a particular area. A must-read for leaders, entrepreneurs, and change makers looking to build

purpose driven organizations where people and profits thrive together In this book readers will find discussion on The huge benefits of flexibility in courting the global talent pool and how we can engage with wider communities The unique desires of Millennials and Gen Z and the growing number of people taking career breaks or shifting to new careers in their fifties How to ensure the human aspect in the workplace while complementing the rapidly developing technological landscape The Wellbeing Centered Workplace is a practical thought provoking read for business leaders and managers to understand and adapt to the new world of work across every level of their organizations
